Football - tied result at the conclusion of the final quarter

In the event of a tied result in finals, an extra five minutes is to be played each end. Coaches may address their teams for a maximum of five minutes after the fourth quarter, but not after the first period of extra time. If still a tie at the end of extra time play is to be stopped, the score checked, and if there is still no result the game is to be restarted, without a change of ends and played until the first score determines the winner.

Soccer - tied result at the conclusion of full time

In the event of a tie in finals, two halves of 10 minutes is to be played (Note: the golden goal rule is NOT applicable). If still a tie after extra time then five penalty kicks will decide the winner.
