1. Short History of the Associated Catholic Colleges

Origins

The Association, known as the Associated Catholic Colleges of Melbourne, grew out of earlier organisations that provided boys' colleges with formal and informal meetings for inter-College sport competitions. The earliest recorded mention of such meetings dates back to 1898 when CBC St Kilda met Wesley College and Parade encountered Melbourne Grammar in their annual football and cricket matches. Competition among Catholic Colleges grew out of the St Patrick's Day Sports. It is hard to establish which came first, the St Patrick's Day Procession or the St Patrick's Day Sports.

Around 1906 the Procession was firmly established as an important official function and the custom was to have a gymkhana picnic sports day at its completion. The competition, open to all Catholic Colleges, country as well as metropolitan, was limited to athletics. All trophies, including the Archbishop's Shield, were provided by the Archbishop of Melbourne.

In the early years of the century an organisation called the Secondary Colleges Competition included eight teams for football and cricket from the following Catholic and non-Catholic colleges: C.B.C North Melbourne, CBC St Kilda, St Vincent's College South Melbourne, Carlton College, Caulfield Grammar, Brighton Grammar, Assumption College Kilmore, and an unknown College, possibly Stotts Business College. This association ended in 1909.

To replace the Secondary Colleges Competition a group of six Brothers' Colleges established the Secondary Teams Association on April 2, 1909, and started competing in 1910. The names of these Colleges remain unknown. At the time football and cricket were the only sports offered. It was not until 1914 that regular matches (fixtures) were drawn up. Athletics was still provided by the St Patrick's Day sports until the early 1930s.

The Secondary Teams Association later emerged as the Metropolitan Catholic Colleges. It offered competition in football, cricket, and swimming. Thus was formed an association of Catholic boys' colleges in the city of Melbourne as distinct from a Catholic country sporting organisation.

First Period: Establishment... 1951-1956

The Associated Catholic Colleges came into being in June, 1948. The founding members were seven Brothers' Colleges of Melbourne: CBC Parade, CBC St Kilda, CBC North Melbourne, CBC Essendon, CBC Toorak, De La Salle Malvern and St Bede's Mentone. The first president, Br. Peter, Principal of De La Salle College Malvern, presented the Premiership Cup for football to Parade College, the winner of the first official ACC competition.

The new association, restricted to city and suburban Catholic colleges, proposed to offer its members cultural and sporting activities. It also provided Principals with an opportunity to discuss matters affecting the affiliated colleges. Cultural activities among ACC Colleges were never really developed. The sporting activities, however, from the original football, cricket and swimming, came to include athletics, cross-country, hockey, soccer, tennis and basketball. From time to time other sports, such as handball, have been played.

The general management of the association is placed in the hands of the Principals who meet at least three times a year. The practical organisation of ACC sport competitions is the responsibility of the Sporting Activities Committee, which groups the Sports Co-ordinators of the member colleges under

the chairmanship of one of the Principals. A secretary and an assistant secretary, appointed by the Principals, plan and co-ordinate the business of the Sporting Activities Committee.

Second Period: Consolidation... 1957-1984

The first twelve years of the association were followed by a period of expansion. St Kevin's, Toorak left the ACC, but the following colleges increased the membership to ten: St Joseph's Marist Brothers College, North Fitzroy (1958), Salesian College, Chadstone in 1966, St John's College, Braybrook (1970), and St Paul's College, Altona North (1978).

In 1979 St John's College became a Junior Secondary College; Chisholm College was formed to cater for co-educational senior secondary classes. Both Colleges constituted one member in the ACC. St Joseph's College, North Fitzroy, left the association in 1978 and Salesian College, Chadstone, withdrew at the end of 1983.

At the end of this second period, the Associated Catholic Colleges of Melbourne was comprised of the following eight members: Parade College Bundoora, Christian Brothers' College St Kilda, St Joseph's College North Melbourne (incorporating St Joseph's College Pascoe Vale), De La Salle College Malvern, St Bede's College Mentone, St Bernard's College Essendon, St John's/Chisholm College Braybrook, and St Paul's College Altona North.

Third Period: Diversification 1985 –1998

The late 1980s saw a further broadening of the range of sports offered as part of the ACC and the introduction of junior competitions in a number of additional sports.

Chisholm College withdrew from the Association at the end of 1987, but St John's Braybrook continued to compete in the Junior and Juvenile sections of the Athletics, Swimming and Cross-country competitions and the Year 10 competitions of the other sports. St Joseph's Pascoe Vale also withdrew from the Association in 1988 and Cathedral College, East Melbourne with Trinity College, Brunswick, both feeder Colleges for CBC North Melbourne, formed a combined squad to participate in the three major carnivals.

Increasing concern at the one-sided nature of many matches and competitions due to the ever-widening gap in enrolments between some Colleges led to the creation of the Division 1 and Division 2 competitions in some sports in 1990.

Geelong competed in the First XVIII, Division One, Football competition by invitation commencing in 1992. To cater better for younger students a series of one-day competitions was introduced in the second half of the 1990s for Year 7 and 8 students.

The establishment of new Colleges by amalgamations resulted in the closure, and consequent withdrawal from the Association, of Cathedral College at the end of 1995, and St John's Braybrook at the end of 1996. From 1996, North Melbourne competed in Senior events only and in 1997 St Joseph's College Geelong became a full member.

Fourth Period: Expansion 1999 – Present

1999 saw the expansion of the Association with Salesian, Mazenod and Whitefriars Colleges becoming full members and the employment of part-time Executive Officer in John Morrison. This year also saw the introduction of separate fixtured competitions for Years 7, 8, 9, and 10. This

expansion of the program resulted in the ACC competition being held over three afternoons rather than on Wednesday afternoons only.

In 2000, Samaritan College (an amalgamation of Redden Preston and St Joseph's North Fitzroy) joined as a full member of the ACC whilst Trinity College Brunswick and Simonds College West Melbourne both joined as Associate members which enabled competition in Carnivals and Rally Days, but not weekly fixtured competition. 2001 saw Trinity Brunswick withdrawing from ACC competition and the introduction of Debating and Music to extend the ACC program of activities.

At the end of 2004 John Morrison completed six years of service before passing the Executive Officer baton to Paddy McKenna. Given the consolidation and further development of ACC sport and the extension of ACC activities into the areas of Music, Debating and Student Leadership, ACC Principals decided to make the Executive Officer position full-time from 2005 onwards. As further demonstration of the ACC's commitment to provide students with a diverse range of activities, an ACC drama workshop was held for Yr 9/10 boys for the first time in 2005, with Public Speaking also added in 2007.

The ACC Music program was expanded in 2008 to include a combined concert at Hamer Hall (The Arts Centre) in Melbourne. St. Paul's College in Altona North opened a new co-educational campus in Point Cook to complement the boys campus and changed its name to Emmanuel College. At the conclusion of 2008, Samaritan College closed, ending their involvement with the ACC. In late 2009, St. Joseph's Melbourne closed its Junior Campus in Pascoe Vale, with its Senior Campus closing at the end of 2010. The Association became an Incorporated entity in early 2009.

In 2013, the Activities program was extended further to incorporate an Arts & Technology Exhibition for the first time. The Exhibition was held at Federation Square, Melbourne. Badminton was also included for the first time in 2013, with further expansion occurring in subsequent years with the introduction of a Culinary competition in 2015, a Triathlon event in 2016 and Lawn Bowls in 2017.

St Joseph's College Ferntree Gully joined the Association in 2017, participating fully in all sporting and cultural activities.

2. Essential Character of the Colleges

The Colleges in the Association are Catholic Colleges: they endeavour to contribute to society by giving an education enriched by Christian values and ideals as formulated by the Sacred Congregation for Catholic Education in the document, "The Catholic College" (Rome 1977). The colleges aim at every level to be characterised by quality education, a truly professional spirit, and genuine service to students and society.

The colleges profess to be characterised by a concern for each person in the College communities. They aim to be living communities where people of different social and family backgrounds educate one another by mutual understanding and respect, openness of mind in dialogue, acceptance of the uniqueness and limitations of each, growth in the spirit of service and the practice of justice and fraternal charity.

Each of the Associated Catholic Colleges has, as its first and principal objective, to be an educational community in which the love of God is fostered and which is characterised by the Gospel ideals. The Colleges aim to facilitate the salvation of all members of the College communities; they are instruments for education in faith; they endeavour to contribute to the life and growth of the Church.

3. Aims of the Association

1. The Association endeavours to promote the essential character of its member colleges by mutual solidarity and support.
2. The Association aims to provide the opportunity for discussion by Principals of matters affecting the affiliated Colleges and to suggest, wherever desirable, a policy on such matters.
3. The Association exists to facilitate the organisation of inter-College activities and competitions which accord with the principles and ideals of the member Colleges.

4. Constitutions of the Association

The Associated Catholic Colleges became an Incorporated Association in 2009. A new Constitution was developed and approved by the Principals. Our Constitution is now known as the “Rules of the Associated Catholic Colleges – An Incorporated Association.”

5. Aims and Mandate of the Principals' Meeting

1. The immediate purpose of the meetings is to afford opportunity for discussion by Principals of matters affecting the affiliated Colleges and to suggest - wherever desirable - a policy on such matters, and to organise inter-college activities and competitions. To this end, the Principals review the recommendations received from the Directors of Sport.
2. Other less immediate but important purposes include the sharing of prayer, information, experience and the development of mutual regard between the Principals. The presence of the Principals at the regular dinner meetings contributes, in a special manner, to this sharing and to the building of mutual regard, which enriches the individual Principals, and leads to a deeper understanding and cooperation between the member Colleges.
3. Every effort is made at the meetings of the Principals, to give prominence to agenda items which reflect upon the aims of Catholic Education, and in particular, education in the faith.

6. Ethics of Principals of Member Colleges

1. The Associated Catholic Colleges recognise the independence of the Principal of each member College. Once a College has committed itself to membership of the Association, the Principal undertakes the obligation that his College participates to the fullest extent in the activities of the Associated Catholic Colleges. He also undertakes to adopt the attitudes and uphold the standards of the Associated Catholic Colleges.
2. The Associated Catholic Colleges recognise that the Principal of each member College is ultimately responsible for the actions of his College staff and his pupils at Associated Catholic College fixtures.
3. If a Principal is approached by a teacher presently employed by another member College, he should refrain from offering that teacher a definite appointment until the teacher's present Principal has been consulted.
4. A pupil who is enrolled at an Associated Catholic College should not be admitted to another member College until both Principals have consulted on the reason for the proposed transfer. After the matter has been so discussed, every effort should be made to assist families of students who wish to move from one member College to another. By mutual agreement of the Principals of the Associated Catholic Colleges, procedures for students desiring entrance to Year Seven are held on the same times as at neighbouring member Colleges.
5. The Principal should ensure that nothing is said or published by members of his College which could be construed as critical of another member College.
6. The periodic social gatherings and dinners of the Principal of the Associated Catholic Colleges are important and members should make every effort to attend them.
7. Principals of member Colleges are encouraged to advertise their membership of the Associated Catholic Colleges.

8. In order to maintain high standards in Sporting Activities, Principals should select Sports Coordinators and coaches carefully and should communicate with them frequently. The Principal should bring to the attention of staff, students and parents the ethics of sporting activities.
9. Should matters of dispute arise between representatives of Colleges over such matters as the conducting of sporting fixtures, these matters are best discussed by the Principals of the Colleges concerned before any other action is taken.

3. Participation
 - 3.1 All Colleges shall compete in all sporting activities of the Association except that by majority consent of other Principals, a particular school of the Association may be permitted to withdraw from, or vary the level of, participation.
 - 3.2 Team nominations and any applications for participation exemptions from any competition for the following year must be lodged by College Principals with the Principals' Executive (via the Executive Officer) by end of second last week of term Two. Consent for exemptions will be for an agreed period and will be considered by the Principals' Executive.
 - 3.3 Schools may field B teams in across the board competition for Yr 7 –10 on a year by year basis, scheduled at the discretion of the ACC Executive Officer either in the existing fixture of schools or as a separate B grade competition if the number of schools offering warrants this.
 - 3.4 ACC sporting activities shall be held Tuesday to Thursday but cultural activities such as music may be held on a Monday. Friday shall be left clear of any ACC activities for school business, with the exception of the Junior Golf tournament which may be held on the second Friday of Term 4. (26/11/07)
4. By arrangement between member Colleges, additional sports, for example, baseball, may be organised for the days when they are rostered to meet.
5. The Committee controlling sporting activities shall consist of a Principal as Chairman, a Director of Sport from each College, and the Executive Officer.
6. Meetings shall be held at times thought necessary by the Chairman and Executive Officer. Seven members shall constitute a quorum.
7. Meetings shall be held at the College of which the Chairman is Principal or elsewhere at the decision of the members.
8. At each meeting, each College shall be entitled to one vote. In the case of equality of voting, the Chairman shall have a casting vote. Motions shall be carried by a simple majority. The Executive Office is a non-voting member and shall not be counted in the quorum.

9. Before any motion is to be discussed at meetings, a College must have a seconder for that motion on the agenda prior to the meeting. Discussion on important issues may be held in general business.
10. The Executive Officer shall keep a book in which all the results of all sporting activities shall be recorded.
11. All fixtures for the following year shall be drawn up not later than the end of the third term. Such fixtures shall be submitted to the Principals' Committee for approval.
12. **DECISION-MAKING AT DIRECTORS OF SPORT MEETINGS (18/11/11)**

 - 12.2. For motions and suggestions that receive the general support of the committee through a passed vote (but not unanimous), the Chairman of the committee (Principal) shall decide that either the concept can be implemented immediately or referred to the Principal's Executive for further deliberation.
 - 12.3. For any motion or suggestion that has implications affecting the Association as a whole, that may impact upon other school based programs, or that the Chairman (Principal) feels should be discussed at Principal level, the matter shall be referred to the Principal's Executive for discussion at the next Principal's meeting.

8. Aims and Mandate of the Sporting Activities Committee

1. The immediate purpose of the meetings is to afford opportunity for discussion by the Directors of Sport of the sporting activities of the Association and to make recommendations to the Principals on the organisation and conduct of inter-school sporting activities.
2. Other less immediate but important purposes include the sharing of prayer, information, experience and fellowship. The presence of the Director of Sports at the Annual Directors of Sport dinner contributes in a special manner to this sharing and to the building of mutual regard and cooperation.
3. Directors of Sport are expected to make every effort to ensure that sporting activities of the Association are carried out in accord with the ethics of sporting activities and the rules and by-laws governing the various sporting activities.

9. The Aims and Ethics of Sporting Activities

1. ATTITUDES

Sporting activities, well-performed, should have the following effects. The activities shall:

- encourage and promote physical fitness;
- provide a situation of team cooperation, leading to mutual self-respect;
- promote games expertise which in turn may be transferred in terms of confidence and skill to other sectors, academic and sporting;
- result in the acquisition of a variety of recreational skills;
- give a sense of achievement;
- create an enjoyment situation;
- promote social interaction and contact;
- provide an important link of communication between staff and students;
- engender a strong school spirit.

It is important that participants in sporting activities remember at all times that sport is meant to be an enjoyable exercise. How a game is played is more important than the result. In a competition, the players set out to win and strive to perform to the best of their abilities – but it should not be at any cost to the principles and values of a Catholic College.

The ethics of sporting activities are very important. The appropriate code of conduct is one which demands respect for opponents, to win with modesty, to lose with dignity, to cope with the inevitable stress and physical clashes (in some sports) and to accept the umpire's rulings.

Respect for oneself personally, for opponents and for one's team means that bad language is avoided, that dress is according to the dictates of the particular sport, that the game is played fairly, within the rules. The maintenance of standards on the sporting field is very important. Even when provoked, it is important to maintain high personal standards.

At the end of a game, players are encouraged to acknowledge the efforts of their opponents. Spectators should remember that they cheer for their team; they do not verbally abuse their opponents nor the umpire. Especially they do not criticise players on the ground of physique, colour or other personal characteristics. Competitive games, played in the right spirit, are very enjoyable and an important part of character formation. Competitors strive to win; there is no point in competing if one is not determined to do one's best. But the importance of Christian attitudes must always be remembered.

2. HOSPITALITY

With respect to hospitality on the part of the host school and obligations of visiting schools, it is suggested that a student or staff member meets visiting school on arrival and directs them to change and playing areas.

A brief speech by Captains or Coaches of both teams is normally made after the game.

10. ACC Sport & Student Safety

1. Protective Equipment

Member Colleges must encourage students to at all times minimise risks involved in sporting competition through the use of appropriate protective equipment.

2. Hail and Electrical Storms.

Where student safety is compromised with severe hail or electrical storms, coaches of opposing teams shall, in consultation with each other and the referee/umpire (if applicable), immediately stop play and follow the guidelines for protection against lightning strikes detailed later in this section.

In the case of electrical storms play should only recommence if students' safety can be assured ie. 30 minutes after the last sound of thunder. Should weather conditions fail to improve the game shall be abandoned. For abandoned games where the result is not already known opposing teams shall share available points.

3. Excessive Heat Rules

3.1 Predicted Heat Conditions of 36 degrees Celsius plus for fixtured sports. (24/11/08)

If the maximum temperature is predicted by the Bureau of Meteorology to be 36 degrees Celsius or above for the current day of fixtured competition, then the ACC Executive Officer shall notify Directors of Sport by no later than 10:30 am that fixtures are cancelled for that day. Directors of Sport are to confirm receipt of cancellation notice to ACC Executive Officer by phone or email by no later than 11.00 am on the day to ensure effective communication.(29/5/15)

3.2 Heat Policy for Athletics Carnivals (24/11/08)

If the maximum temperatures are predicted by the Bureau of Meteorology to be 36 degree Celsius or above for the scheduled day/s of the Athletics Carnival, then the ACC Executive Officer shall notify Directors of Sport no later than 48 hours prior to the start time that the event is to be postponed. Directors of Sport are to confirm receipt of the cancellation notice to ACC Executive Officer by phone or email to ensure effective communication. A backup date will be listed in the ACC Calendar, with the carnival to be automatically rescheduled to that date if postponed.

If the maximum temperature is predicted by the Bureau of Meteorology to be in the range of 31 - 35 degrees Celcius, then a modified program will be implemented for the event. This will include the restructure of the event program to reduce the likelihood of heat illness for participants, officials and spectators. The ACC Executive Officer shall notify Directors of Sport no later than 24 hours prior to the start time that the event is to be modified.

3.3 If prior to or during competition, excessive heat temperatures arise, opposing coaches are encouraged to shorten fixtures in the following ways:

Tennis – reduce sets from 8 games to 6 games

Cricket – reduce overs anywhere between 35 to 20 overs per side

Volleyball – reduce match from three fixed sets to best of three sets

Ideally the agreed shortening of games should be negotiated prior to the commencement of play.

3.4 In such conditions where excessive heat conditions arise, coaches must ensure there are frequent opportunities for rest and rotation of players where applicable, drinks and shade during breaks and that students have adequate sun-screen, and are wearing appropriate headwear and clothing. *For more information on reducing heat stress please read the guidelines detailed in this section.*

3.5 It is recommended that student clothing for summer sport be light coloured, loose fitting clothes of natural fibres or composite fabrics with high wicking (absorption) properties.

3.6 In extreme conditions where students are at obvious risks coaches must abandon play. For abandoned games where the result is not already known, opposing teams shall share available points.

- 4 Home team responsibilities. The home school must ensure the following actions are taken:
 - 4.1 A person with current first aid qualifications is available to provide service and support at venues.
 - 4.2 The availability of sufficient water, ice, adequate shade and ventilation is available for both teams.
 - 4.3 The provision of a safe playing environment. (11/10/04).
 - 4.4 A sample match day guideline template is included on the following page.
5. First Aid for multi-school involvement. On days of multiple school involvement, rally days and carnivals, the provision of first aid will be arranged by the ACC.

RECOMMENDED GUIDELINES FOR PROTECTION AGAINST LIGHTNING STRIKES

This information is a summarised version of pamphlet produced jointly by Emergency Management Australia and the Bureau of Meteorology - Disaster Awareness Program 04/2000.

In Australia lightning accounts for 5 to 10 deaths and well over 100 injuries annually. It is expected that these figures are likely to increase with more people being engaged in recreational land and water activities in the future. Therefore it is most important for all coaches and staff members to be aware of essential precautions when managing students in lightning conditions.

1. Electrical Circuit Protection

Check your local electricity provider for advice on surge protectors and lightning conductors for your office and gymnasium to help safeguard occupants and electrical equipment.

2. If Caught Outdoors

The distance in kilometres to a lightning flash may be estimated by dividing the time delay (in seconds) between the flash and the thunder by 3. If you hear thunder, find shelter urgently, especially if the time delay is less than 30 seconds. Ensure students remain sheltered for at least 30 minutes after the last sound of thunder and

- Seek shelter in a 'hard-top' metal-bodied vehicle or solid building but don't touch any metal sections. Avoid small open structures or fabric tents.
- Never shelter under small groups of (or single) trees
- If far from shelter, crouch alone feet together, preferably in a hollow. Remove metal objects from head/body. Don't lie down flat but avoid being the highest object in the vicinity.
- If your hair stands on end or you hear 'buzzing' from nearby rocks, fences, etc, move immediately.
- Don't handle umbrellas or golf clubs etc.
- Stay away from metal poles, fences, clothes lines etc.
- Don't ride bicycles, or travel in open vehicles.
- If driving, slow down or park away from trees, power lines etc. Stay inside metal bodied (hard top) vehicles or caravans but don't touch any metal sections.
- If swimming, surfing etc, leave the water immediately.

3. If You Are Indoors

- Before the storm arrives, disconnect external aerial and power leads to radios and television sets.
- Disconnect computer modems and power leads.
- Draw all curtains and keep clear of windows, electrical appliances, pipes and other metal fixtures (eg don't use the bath, shower, hand basin or laundry/kitchen sinks).
- Avoid touching brick or concrete, or standing bare-footed on concrete or tiled floors.
- Avoid the use of fixed telephones and mobile phones. In emergencies, make calls brief.

4. First Aid

Apply immediate heart massage and mouth-to-mouth resuscitation (CPR) to lightning victims until medical help arrives and they will have a good chance of survival.

5. Lightning Facts

- When struck, people do not glow or 'fry to a crisp' but the heart and breathing are often affected.
- Only about 30 % of people struck actually die, and the incidence of long term disability is low, particularly when appropriate first-aid is applied promptly.
- If your clothes are wet, you are less likely to be seriously injured if struck, as most of the charge will conduct through the wet clothes rather than your body.
- Lightning can and often does strike more than once in the same place.

RECOMMENDED GUIDELINES FOR PREVENTING HEAT ILLNESS

This information is provided by Sports Medicine Australia, December 2016

The following strategies are intended for the general population that does not fall into any of the listed 'At Risk' categories. 'At Risk' participants should consult the recommendations for their particular population sector.

1. Timing of games

Games and sporting activities involving moderate to high intensity exercise should be scheduled to avoid conditions where ambient temperature exceeds or is likely to exceed 36 degrees Celsius or where WBGT exceeds 30 degrees Celsius. In most parts of Australia players are likely to be exposed to their highest risk of heat injury in the months of December, January and February, although in some regions this level of risk extends into March and April. This is in part due to high ambient temperatures that are prevalent during this period, and lack of match fitness of players participating in traditional winter sports such as Australian Rules Football. Where possible, especially in January and February, games should be scheduled to start before 9 am. or after 6 pm. Early morning or night games minimise the risk of encountering unacceptable conditions at these times of year. This is especially so where these games are to be played in a locations with a history of relatively high WBGT.

2. Acclimatisation

If games or activities are to be conducted after long periods of cooler conditions, participants should strive to be fully acclimatised prior to participation. Physiological adaptations to exercising in the heat are rapid and can occur after 3-5 days in a hot environment. Full acclimatisation can take 10-14 days or longer. The initial response is an expansion of the plasma volume; then, over several days, this returns to normal and the sweat rate increases with sweating starting earlier and a more dilute sweat being produced. There is evidence that exercising in sweat clothing to the point where heat strain is induced can give some degree of acclimatisation (Dawson et al). The training must induce heat strain over several days, and care must be taken that adequate hydration occurs during these training sessions. Doing some form of submaximal exercise in a heat chamber will also give some degree of acclimatisation; but its practicality in a team sport, except possibly in individual cases, is limited. Some level of acclimatisation will occur in players coming out of summer. This, however, is usually countered by the lack of match fitness in athletes at this time of year. What can be done easily is to educate athletes to train themselves to play and train with copious fluids already on-board. Further it must be emphasised to the players that they **MUST** consume fluids containing 6%-8% carbohydrate - in warm/hot conditions, muscle glycogen utilisation is much higher. (Febbraio 1992). The consumption of carbohydrate containing fluids has been proven to improve performance in the heat and, more importantly, delay the onset of exercise-induced heat exhaustion (Febbraio 1992, Davies et al 1988) and, hence, probably help prevent heat stroke.

3. Hydration

The more athletes sweat, the more fluid they must consume to avoid dehydration. High levels of dehydration may increase the risk of heat stress. To diminish the risk of heat stress fluid should be consumed before, during and after activity. It is recommended participants drink at least 7-8 ml of fluid per kg of body mass (average is about 2 cups) no more than 2 hours before exercising to promote adequate hydration and allow time for excretion of excess water. During exercise it is recommended that participants should drink fluid at regular intervals to replace water lost through sweating. Participants should aim to drink at least 3 ml per kg of body mass (about 250 ml for the average athlete of around 70 kilograms every 15 to 20 minutes or 2-3 cups every hour). However, this may vary dependent on the rate of sweating. Fluid taken should be cooler than the ambient temperature. Water is considered an adequate fluid option for activities lasting up to one hour.. Participants in events or activities exceeding one hour are recommended to use carbohydrate-based sports drinks as a means of replacing fluids, carbohydrates and electrolytes lost during prolonged activity. In high risk conditions players should be encouraged to drink fluids at scheduled drinks breaks and should be provided convenient access to fluids during activity without unnecessary interruption to the game or event. Officials and event organisers should also consider including additional drinks breaks for players in

conditions of high risk. In regard to post-event rehydration, it needs to be remembered that this can take 24 hours or more.

4. Player rest and rotation

In conditions of high risk participants should be provided opportunities to rest through the use of player interchange or substitution. The period of rest should be determined by the ambient temperature and WBGT at the time of the event or activity. For ambient temperatures greater than 26 and less than 30 degrees Celsius and for WBGT temperatures greater than 21 degrees Celsius and less than 25 degrees Celsius, all players should be rested for at least 10% of the period they would normally participate. For example, if the activity normally runs for 60 minutes, the rest period for the player should comprise at least 6 minutes during the period. For situations where the ambient temperature is greater than 31 degrees and less than 35 degrees Celsius and the WBGT is greater than 26 degrees Celsius and less than 29 degrees Celsius, all players should be rested for at least 25% of the period in which they would normally participate. This may be achieved by rotation of players through an interchange bench or via the reduction in the regular playing time for all players. For events played in high risk conditions that do not have a specified playing time, players should be permitted to take rest breaks from activity equivalent to 3 minutes for every 30 minutes of activity. The positive effects of rest breaks should also be maximised by employing the following strategies: • allowing players to rest in naturally shaded areas or providing portable structures that create shade where and when required; • providing fans and ice packs; and • providing additional fluids to allow participants to spray or douse themselves to assist cooling.

5. Pre-cooling

Pre-cooling by cool water immersion or the wearing of ice vests has been demonstrated to increase athletic performance in endurance sports. This practice could be of benefit to many athletes. However, it must be noted that the effects of a pre-cooling manoeuvre are reduced rapidly by a warm up. Therefore, any pre-cooling strategy must be undertaken in concert with a vastly reduced warm-up if it is to be effective.

6. Clothing

Light coloured, loose fitting clothes, of natural fibres or composite fabrics, with high wicking (absorption) properties that provide for adequate ventilation are recommended as the most appropriate clothing in the heat. This clothing should further complement the existing practices in Australia that protect the skin against permanent damage from the sun.

11. ACC Fixtured Competition Rules

1. COMPETITION LEVELS

- 1.1 Senior fixtured competition for Year 11/12 students will take place on Wednesday. Year 9 and 10 competitions will take place on Tuesday and will be single year representation, ie. a distinct Year 9 and a distinct Year 10 team and a student may not participate out of his Year Level, except as provided in 2. The Years 7 and 8 fixtured competitions will take place on Thursday and operate as for Years 9 & 10 with single year representation.
- 1.2 Colleges under 1000 students have the option for exemption for participating in both Years 7 & 8 and 9 & 10 sports. If exercising this option, schools will field a composite team in the Year 8 and Year 10 competitions.

2. PLAYING ABOVE AGE GROUPS

- 2.1 For senior fixtured competition only, in the event of player shortages due to injuries/illness or where exceptional circumstances can be demonstrated in relation to specific student participation, a College may request exemption for student(s) from Year 10 or below to participate at senior level.
- 2.2 Such application for exemption must be made in writing to the Executive Officer at least 24 hours prior to the match.
- 2.3 Should the Executive Officer judge that neither of the afore-mentioned criteria are met he may in consultation with the Chairman of the Sports Activities Committee deny a request for such exemption.

3. STARTING TIMES AND MATCH DURATION

- 3.1 All matches must commence at 1.30 pm.
- 3.2 If a side has not arrived 20 minutes after the scheduled starting time, the game will be abandoned and the matter shall be referred to the Executive Officer for a decision, awarding of points, or allotting of another date of play, unless both sides agree to go ahead with the game even though the stipulated 20 minutes has elapsed. Where possible, coaches should liaise with the Director of Sport from their school before a match is abandoned.
- 3.3 If Colleges are planning to shorten games, opposing Directors of Sport must liaise as early as possible prior to game and agree on match conditions before passing this information onto coaches. Where a team has no sound reason to finish early (EG above pre-arranged conditions, an emergency or extreme climatic conditions) they shall forfeit match points if they cannot finish the game for the allocated duration as per ACC Rules.

4. UNIFORM

Representatives must wear the official sports uniform recognised by the member College. If there is a uniform clash in a particular sport, the home team will have the right to choose the uniform.

5. UMPIRES & OFFICIALS

- 5.1 Each College shall appoint officials for home fixtures, except for Football, Soccer and Volleyball, where the Executive Officer shall appoint umpires/referees for all Year Levels in conjunction with the nominated service provider.
- 5.2 Senior (Yr 11/12) students who umpire home games for Year 7 and 8 fixtured matches must have the basic level of officiating accreditation with their respective State Sports Governing Body.
- 5.3 Colleges are to ensure appointed officials are preferably dressed in appropriate referee/officiating attire or at least in non-school colours (eg white) to ensure professional presentation.
- 5.4 In the event of the Umpire being later than fifteen minutes after the official starting time of the match or in the event of the Umpire having to be replaced, the two Coaches shall confer in an attempt to reach mutual agreement as to who shall umpire the match. If no agreement can be arrived at, the match shall be abandoned and the matter shall be referred to the Protests Committee for a decision re awarding of points or the allotting of another date of play. (25/11/02).
- 5.5 Schools should endeavour to engage umpires and referees for cricket, football, basketball, hockey and soccer that hold official accreditation from the governing body of their sport (25/8/06)

6. CHANGES OF DATE:

- 6.1 A change of date for competition matches should not normally occur. A change can be granted only by the Executive Officer, if an application for the change of date from the respective Director of Sport, is lodged with the Executive Officer at least two full days before the fixtured date for the match.
- 6.2 Both participating schools must agree to the change of date and if at all possible the match should be completed prior to the next fixtured match date.
- 6.3 If a deferred game has not been completed by the last round of fixtures, the game will be abandoned. Ruling on allocation of points will be that the College which requested the initial deferral of the game will forfeit points from that deferred fixture.

7. DISPUTES

The handling of disputes is ultimately the responsibility of Principals. The initial step in matters of dispute is for the Executive Officer to be notified in writing before the next fixture and the Principals of the schools concerned to discuss the matter. If the matter is not resolved, a meeting of the ACC Principals Executive shall be called in order to resolve the dispute, or the matter may be referred to the Sporting Activities Committee.

8. PROTESTS

Protests concerning fixtures shall be made to the Executive Officer, in writing, within three days of the fixture. All protests will be considered by the Executive Officer who will gather reports from relevant officials before consulting with at least two Directors of Sport from schools not directly or indirectly involved in the incident, before handing down his decision.

9. DISCIPLINE PROCEDURE

- 9.1 Incidents involving alleged violent and/or verbal assaults which have brought the ACC into disrepute are to be reported, in writing, to the Executive Officer within three days of the fixture. The Executive Officer, after receiving such written report, shall seek further reports from other relevant officials before passing this information onto the Principal of the school involved. Such Principal shall deal with this matter, and the disciplining of student(s) and/or staff, under his own school policy but in accord with the ethos of the ACC.
- 9.2 In the event of a student receiving a further penalty from his school as a result of the school's disciplinary process the Executive Officer must be notified in writing as soon as practical. (24/11/03).
- 9.3 In dealing with an incident at an ACC sporting event or activity, the relevant parties within each school should follow the Incident Management process as outlined on the following page.

11. BLEEDING & BLOOD BORNE INFECTIONS

- 11.1 No College shall allow any player to participate in any ACC match or continue to participate in any ACC match for so long as such player is bleeding or has blood on any part of his person or uniform
- 11.2 A player shall immediately on the direction of any officiating Umpire, leave the playing area where such Umpire is of the opinion that the player is bleeding or has blood on any part of his person or uniform. After being directed to leave the arena a player shall not return or take any further part in the match until:
 - a) Such bleeding has been abated and the injury is securely covered.
 - b) Any blood stained article of uniform has been removed and replaced.
 - c) Any blood on any part of the player’s person has been thoroughly cleansed and removed.
- 11.3 Any player thus directed to leave the field can be replaced immediately in accordance with normal interchange rules.
- 11.4 Each College shall ensure that any bloodied item of uniform or clothing of a player or official is placed as soon as possible in a hygienic sealed container i.e. closed plastic bag and laundered to ensure the removal of all blood.
- 11.5 Each College shall ensure that all towels, wipes, bandages, dressings and other materials used in the treatment of bleeding players shall be placed as soon as possible in a hygienic sealed container and discarded or laundered in such a way as to remove all blood and risk of infection.

12. FINALS

12.1 FINALS FORMAT

Finals will be played at the conclusion of the home and away season in all fixtured sports at all levels. At Year 9, Year 10 and Senior level, the only finals matches that will take place will be major semi-finals and Grand Finals. At Year 7 and 8 level, all teams in a draw will participate in a semi-final round, with the winning teams from the two major semi-finals progressing through to compete in a Grand Final. Finals will be determined by the position on the ladder at the end of the home and away season as detailed below. (15/11/19)

12.2 FINALS ELIGIBILITY

- 12.2.1 In order to participate in finals for a particular sport, students must have played in at least 40 % of games for a current home and away season. (24/11/03)
- 12.2.2 If a student has played enough games to qualify in Seconds or “B” teams he is still eligible to play finals in firsts or “A” teams. (24/11/03)

- 12.2.3 If rules 12.2.1 or 12.2.2 prevent a student from participating in finals and there are special circumstances involved E.G. injury, illness or extenuating circumstances, Colleges must make written application for exemption(s) to the Executive Officer at least 48 hours prior to the final.

12.3 PREMIERSHIP FINALS (15/11/19)

- 12.3.1 The two winning teams from the major semi-finals shall play for the premiership. Seniors shall compete at a neutral venue to be determined by the Executive Officer. Where a neutral venue is not possible, the highest ranked College shall host the final.
- 12.3.2 For Years 7-10, the highest ranked College shall host the Grand Final. The grand final will be hosted by the team ranked higher in their division at the end of the home and away matches (or if points are equal by the team with the higher percentage).
- 12.3.3 Neutral umpires and referees will be appointed by the Executive Officer for Seniors and by the highest ranked College for Years 7-10. Appointed officials shall not be from competing teams.
- 12.3.4 The home team for Yr 7-10 Grand Finals shall cover the costs of officials and venue hire as per normal home/away games during the season.

- 12.4.2 In the event of a Grand Final round for Years 7 – 10 being abandoned due to weather conditions (excessive heat, washout, lightning or storm activity), the two teams scheduled to compete in the Grand Final shall be declared joint premiers.
- 12.4.3 In the case of a senior Grand Final being abandoned due to weather, the Executive Officer shall attempt to arrange an alternate date to complete the match that is suitable for both competing schools. If no suitable date is available, then the match shall be considered drawn and a joint premiership declared.

12.5 FORFEITS IN FINALS

If a team forfeits any finals match, that team shall be demoted to last in the final rankings for that year level sport no matter what the circumstances.

The number indicates the position on the ladder at the conclusion of the home and away rounds. The home team allocation for minor semi-finals (ie Blue 3 v White 3 OR White 3 v Blue 3) shall be determined by the team ranked higher in their division at the end of the home and away matches (or if points are equal by the team with the higher percentage). The two winning teams from the major semi-finals shall compete in the grand final – no other finals matches are played, with final rankings determined by semi-final results and ladder positions at the conclusion of the home and away season.

13. AGGREGATE CHAMPIONSHIP SCORING

- 13.1 An Aggregate points award for fixtured sport will be made to the Champion School for each of Years 7, 8, 9, 10 and senior levels. To determine the Champion school for each year level, the number of points scored for each sport will be directly related to the number of schools competing in that sport with the first team scoring two points above the 2nd team e.g. For 11 teams the winner will be awarded 12 points, 2nd is awarded 10 points, third 9 points and so on.
- 13.2 For Volleyball and Basketball, "A" Grade competitions will be awarded 2/3rds points of the normal scoring system whilst "B" Grade competitions will be awarded 1/3rd points of the normal scoring system.
- 13.3 There will be a separate award for Division Two Schools (less than 1000 students) in Seniors Year 10 and Year 8.
- 13.4 Senior Seconds and Division 2 competitions will be awarded half points of the normal scoring system.

- 13.5 If a team forfeits any finals match that team shall be demoted to last place in the final rankings for that year level sport no matter what the circumstances. (16/7/01)
- 13.6 If a school fields two teams in the same year level competition their “B” team does not record a ranking when aggregate scores are calculated.

14. ACC COACHES' CODE OF CONDUCT

In an effort to set appropriate standards of behaviour for ACC sport, all ACC Coaches are expected to read, comprehend and commit to the following guidelines when coaching sport teams in ACC competition:

1. Ensure that all matches are played in the spirit of the ACC competition - "Excellence, Honour and Fairness in Student Sport". Ensure that good sportsmanship and good sporting skill each receive emphasis.
2. Reinforce ACC and school expectations regarding punctuality, behaviour, appropriate language and dress for all players at all age levels.
3. Demonstrate respect for the judgment of officials. Do not publicly question an umpire/referee's decision and avoid blaming a team's defeat on "poor umpiring".
4. Set the standard of behaviour for students in respecting the officials and players of the opposition. Avoid excessive ritual "psyching up" of your team and keep sideline talk to encouragement of your team only.
5. Develop team respect for the ability of opponents. Avoid consistently giving the impression that a lost match should have been won with a greater effort – acknowledge that sometimes the opposition is too skilled on the day.
6. Be responsible in ensuring a safe and friendly environment for the opposition. This includes adequate sideline supervision and ensuring that the barracking of student spectators and parents is constructive and appropriate.
7. Keep "winning" in perspective and maximise players' participation for fun and enjoyment.
8. Ensure that the atmosphere after the game between the two teams is acceptable by shaking hands with opposition coach and officials and encouraging students to do the same for their opponents.
9. Emphasise safety always; ensure that equipment and facilities are safe and keep informed with sound principles of coaching and skill development.
10. Recognise the importance of injury; seek and follow the physician's advice concerning the return of injured players to training and competition.
11. When drafting your match report for assemblies and school publications keep in mind that your report is a public document and as such derogatory remarks about other Colleges, opposition staff, student opponents and venues are to be avoided. Any negative criticism of opponents is to be forwarded to your Director of Sport for his action.
12. To facilitate results processing and the prompt return of ladders, make every effort to ensure your match scores are checked with opposition coaches and officials and submit your signed score sheets to your Director of Sport prior to class commencement the following day.
13. MOST IMPORTANTLY, ENJOY YOUR COACHING ROLE.

15. ACC CODE OF CONDUCT FOR STUDENT PARTICIPANTS IN ACC SPORT

ACC – Excellence, Honour and Fairness.

Congratulations on being selected to represent your school team in ACC competition. As part of your contribution to your team you are asked to carefully read and adhere to the points below:

1. You have the opportunity to participate in one of the best Melbourne schoolboy sports competitions so make every effort to perform at your best on and off the field.
2. Have knowledge of the rules and laws of the ACC and ensure you play by them. Copies of all the rules are available from your coach or by logging onto the ACC web-site at www.accmelb.com.au
3. Do not argue with officials. If there is a dispute, this should be brought to the attention of your coach, team manager or captain. These people can approach the official in a break of play.
4. Control your temper. Verbally abusing or provoking officials or other players is unacceptable.
5. Be a team player. Work equally hard for yourself and your team. You are the public face of your school, and your actions reflect on the school.
6. Be a good sport – noble in defeat and humble in victory. If you continue on with your sport you will regularly meet up with opponents from other schools so always acknowledge your opponents with a handshake at the end of games.
7. Treat all players fairly. Sledging, bullying, making rude gestures to, or taking advantage of, other players is not acceptable.
8. Co-operate with your team mates, coaches and opponents. Without these people there would be no competition.
9. Comments to any player on race, sexuality or religion are unacceptable.
10. ENJOY the opportunity to play sport with your schoolmates. After your school years are over, you will never get the chance to experience this again.

16. ACC SPECTATOR CODE OF BEHAVIOUR (20/11/06)

ACC – Excellence, Honour and Fairness.

As a spectator of any activity held by or under the auspices of the ACC, you must meet the following requirements in regard to your conduct during any such activity or event:

1. Respect the rights, dignity and worth of others.
2. Remember that each student participates in sport primarily for enjoyment.
3. Focus on the efforts and performance of the participants, rather than winning or losing.
4. Never ridicule or yell at participants for making a mistake or losing a competition.
5. Show appreciation for good performance and skilful play by all participants (including opposing players).
6. Demonstrate a high degree of individual responsibility especially when dealing with or in the vicinity of persons under 18 years of age, as your words and actions are an example.
7. Respect officials' decisions and encourage others to do likewise.
8. Do not physically or verbally abuse or harass anyone associated with the sport (player, coach, umpire and so on).

The service provider shall ensure that the appointed umpires have undergone an induction process and that they are compliant with the Victorian Government legislative requirements for Child Safety.
- 3.2 Coaches are invited to complete a report on the umpires' performance via the online feedback form.

4. ABANDONED GAMES

- 4.1 The umpire(s) must deem the ground to be in a playable state before the game can proceed.
- 4.2 If the game is abandoned due to the condition of the ground, the match shall be deemed drawn. (18/11/11)

5. COACHES

- 5.1 All senior division one coaches are strongly encouraged to complete a level one coaching certificate with AFL Victoria.
- 5.2 Coaches shall not be permitted on the field during play save in the case of a duty of care incident. Coaches' runners are to be distinctly identifiable.

6. The final's participants shall be decided on points and percentage.

7. The following points shall be awarded for each match:

Win	4
*Forfeit/Bye	4
Draw	2
Loss	0

8. SEND-OFFS

- 8.1 The Umpire shall have the power to send off any player for a non-reportable indiscretion. The umpire must show a YELLOW CARD, signalling that the player is to be sent off for 15 minutes of playing time. (6/6/08) If a player is sent off he *CAN* BE INTERCHANGED immediately. If a player is sent off he shall remain off the field for a period of 15 minutes playing time and *MAY* BE INTERCHANGED immediately. Upon the same player being sent off a second time in the same game, he shall be reported and shall remain off the field for the entire game and **MUST NOT BE REPLACED**. Timekeepers are responsible for estimating when the 15 minutes have elapsed.
- 8.2 For reportable indiscretions, the Umpire shall report the offending player who is to be sent off for the remainder of the game and **MUST NOT BE REPLACED**. The umpire must show a RED CARD, signalling that the player is reported and is not to be replaced. (6/6/08) In these instances the Umpire must complete the ACC Umpire Report form (see p 26) regarding the incident. The Umpire's report must be forwarded to the appropriate Director of Sport who shall forward details of any such report to the Principal at the school of the player concerned and to the ACC Executive Officer.
- 8.3 Any player sent off in a football match is to report to his coach to have his name and number recorded on the ACC score sheet.
9. The 50 metre rule, as interpreted under the rules of the AFL, is replaced by a 25 metre penalty.
10. The Field Umpire is empowered to overrule the Goal or Boundary Umpire in any obviously wrong decision in all official ACC Competitions.

Notes. As per AFL rules for ACC Football the following rules will apply:

- 1. For ruck contests at centre bounces a nominated ruckman must approach the ruck contest from the defensive side of the centre line.*
- 2. For a mark to be awarded a kick must travel at least 15 metres.*

- 6 The score cards used by each goal umpire will be checked with the central umpire at the end of each of the four quarters and handed to the home Coach at the end of the match.
- 7 The timekeepers will keep a separate record of the scores each, as an added check, particularly in the eventuality of a drawn game.
- 8 The interchange system allows for a maximum of 24 players for Senior, Year 10 and Year 9 competitions, whilst at Years 7 & 8 team numbers are unlimited provided that only eighteen players are on the field at any one time. The names of all players are to be recorded on a team sheet before the match to notify the opposing coach of the number of players to be used.
(28/8/09)

9. In the event of a tied result in finals, an extra five minutes is to be played each end. Coaches may address their teams for a maximum of five minutes after the fourth quarter, but not after the first period of extra time. (25/11/02)
10. Modified rules will be in place for Year 7 Division 2 and Year 8 Division 2 competitions. The winning margin is limited to **60 points**. Once the match is completed, the losing team's score will stand, but the winning team's score will be no more than 60 points above that amount. For example, if one school has a final score of 6.1.37 and their opposition has a final score of 20.5.125 points, then the result will be recorded as 6.1.37 to 16.1.97. Both coaches will need to agree on the reduced score before signing both score sheets.

The Laws of Cricket shall apply in all matches except where modified by these Rules and Playing Conditions.

2 PARTICIPATION, ELIGIBILITY & SAFETY

- 2.1 Each side shall consist of 12 players of whom only eleven may bat and only eleven may be on the field of play as fieldsmen. For Year 7,8,9 and 10 matches, each side shall consist up to 14 players of whom only eleven may bat and only eleven may be on the field of play as fieldsmen. The ACC Team Sheet must be completed prior to the commencement of play and a copy handed to both the Umpires and the opposing school. The Team Sheet shall list all players and shall indicate the name of the Captain, wicket keeper and the players from the team who are non-batsmen and non-bowlers. Teams are able to utilise substitute fieldsmen as required, but must include those players on the Team Sheet and inform the Umpires when they take the field. Substitute fielders are not allowed to bat or bowl. (29/01/15)
- 2.2 A fieldsman may leave the field and be replaced by an off-field player who has been named in the side for the match but only after the umpires have been informed of the intention to replace and only at the end of an over, interval or interruption.

- 2.7 Each captain shall be responsible for ensuring that his players act within the spirit of the game as well as within these Rules and the Laws of Cricket and shall assist the Umpires by discouraging unwarranted appeals and open displays of dissent.

3 UMPIRES

- 3.1 Umpires shall be provided with copies of these Rules and Playing Conditions and list of the venues and dates of matches and will be expected to wear white coats or other distinctive clothing. The recommended payment for Umpires is stated in Schedule 7.
- 3.2 In the event of an appointed Umpire being unavailable or becoming indisposed a competent replacement shall be provided.

- 3.3 For Year 7 and 8 matches the home team must appoint at least one independent umpire. If there is only one independent umpire the coach of the fielding team may officiate at square leg.
- 3.4 For all levels Year 9 and above the home team must appoint two independent umpires.
- 3.5 The Umpires shall be in control of a match and shall ensure that there is no form of time wasting by either side during play, that there is strict observance of times for commencement of play and resumption after intervals or stoppages. They shall intervene and prevent any undue and provocative talking on the field or any noise or action likely to distract the striker during the bowler's run-up or while he is receiving the ball.

This includes (but is not limited to) swearing, disputing the umpire's decision, and any uncooperative or disruptive behaviour. The Umpire must show a YELLOW CARD, signaling that the player is to be sent off for 15 minutes of playing time. If a player FROM THE FIELDING TEAM is sent off for a yellow card, the 12th man from the same team shall replace him immediately. IF A PLAYER WHO IS BATTING IS SENT OFF, HE SHALL FORFEIT HIS WICKET. Upon the same player being sent off with a yellow card for a second time in the same game, he shall be reported (red card) and shall remain off the field for the entire game and MUST NOT BE REPLACED. The Umpire is responsible for estimating when the 15 minutes have elapsed. (5/6/09)
- 3.7 For reportable indiscretions (red card), the Umpire shall report the offending player who is to be sent off for the remainder of the game and MUST NOT BE REPLACED. The Umpire must show a RED CARD, signaling that the player is reported and is not to be replaced. In these instances the Umpire must complete the ACC Umpire Report form regarding the incident. The Umpire's Report must be forwarded to the appropriate Director of Sport who shall forward details of any such report to the Principal at the school of the player concerned and to the ACC Executive Officer. (5/6/09)

4. PITCHES AND GROUNDS

- 4.1 The umpire(s) and at least one coach must agree that the ground is in an unplayable state before the game can be abandoned.
- 4.2 If the game is abandoned due to the condition of the ground, the match shall be deemed drawn (18/11/11).
- 4.3 A First Eleven match shall be played on a pitch of adequate standard provided by the home side. Whilst every effort should be made to provide a turf pitch, a synthetic pitch may be used. In this instance, the Director of Sport from the home side shall notify the Executive Officer and the opposing school of the use of a synthetic pitch prior to the date of the match (1/6/12).

For Year 7-10 matches turf pitches or synthetic pitches may be used. The home side Director of Sport shall notify the visiting school of the type of pitch prior to the date of the match. (1/6/12)

- 4.4 If no play is possible at the normal venue for weather caused reasons and an alternative ground cannot be agreed to, the match shall be drawn.

- 4.5 For Year 10 and below, Colleges must ensure that where possible synthetic wickets are booked or covers are laid on turf wickets in case of wet weather to ensure maximum games are played.
- 4.6 If the pitch normally used becomes unavailable for any reason other than inclement weather, an arrangement for an alternative pitch may be made with the visiting side. If no satisfactory arrangement is made the match shall be awarded to the visiting side with points equal to the maximum gained in that round of matches. Any decision to give preference to a First XI match over a Second XI match for use of a ground must be made by 11.00 am.
- 4.7 If 50% or more of the matches for any draw are adversely affected by weather and are considered drawn, then ALL matches in that fixture shall be drawn regardless of any result achieved. All teams shall receive full match points on rounds affected by weather. Any match that has scores recorded shall have those scores count towards ladder points and percentage. (16/3/18)

5 TRANSFER OF MATCHES

- 5.1 Where for reasons other than those due to weather a match cannot be played at the normal venue or on the programmed date, the competing Colleges may negotiate and agree to an alternative venue or date. If there is no agreement the side responsible shall forfeit the match with points being awarded to the other side.
- 5.2 Sides permitted to play on a changed date shall not be awarded points in excess of the maximum gained in the same round played on the programmed date.

6. SCORERS

Each side shall appoint an official scorer. The scorers shall sit together and reconcile the scores at the end of a session or innings and at the end of a day's play.

7. SUPPLY AND USE OF BALLS AND EQUIPMENT

- 7.1 The home side shall provide two identical new balls for each match. Balls are to be 156gm in weight for all matches. A new ball shall be used for the start of each innings. (15/11/13)
- 7.2 The home side shall supply bails and stumps, with spares.

8. TIMES AND INTERVALS

Matches shall commence at 1:30 pm. The commencement time may be brought forward by agreement of the coaches. A drinks interval at a pre-agreed time, may be taken on the field of play once in each session at the option of either side. An interval of 15 minutes shall be taken at the end of the first innings of the match.

9. FIRST BATTING SIDE: COMPULSORY CLOSURE

- 9.1 Provided there is no loss of playing time nor earlier termination of its innings the first batting side shall have its innings compulsorily closed after a number of overs or period of time, whichever comes first, as follows:

	Overs	Time
Senior 35 Over Comp	35	2 hrs 10 mins
Senior T20 Comp	20	1 hr 20 mins
Years 7-10 T20 Comp	20	1 hr 20 mins (16/11/18)

- 9.2 If the start is delayed or playing time is otherwise lost the overs for compulsory closure shall be reduced by one for each full seven minutes of the aggregate time lost. If the reduced number has already been exceeded at the time of calculation compulsory closure shall occur immediately.
- 9.3 If the calculated overs become less than 20 for the Senior 35 Over competition and 12 for any T20 competition, the match shall end and the result be declared a draw (16/11/18).

10. SECOND BATTING SIDE: OVERS ENTITLEMENT

- 10.1 If the opposite side's innings is compulsorily closed the side batting second, if not dismissed earlier, shall receive the same number of overs, and part over if applicable, as bowled to the other side.
- 10.2 If the opposite side is dismissed the second batting side shall be entitled to receive the full number of overs set for compulsory closure of the other side's innings whilst in the process of chasing the opposite team's run total. Should the second batting side pass the opposite team's total with several or more overs to spare, both coaches shall immediately meet with umpires to negotiate on the remaining number of overs to be bowled. Unless other arrangements are negotiated the side batting second shall receive HALF of the remaining number of overs before the game is finished.(24/11/03)

11. RESULTS OF MATCHES

- 11.1 Results shall be recorded on a points basis as determined by the Executive Officer.
- 11.2 If the side batting second has received a number of overs equal to the full entitlement of the opposite side or was earlier dismissed, the winner shall be the side scoring the greater number of runs irrespective of wickets lost. If the scores are equal it shall be a tie.
- 11.3 Should the second batting team pass the score of the first team, the final score recorded shall be that which is recorded immediately after the winning runs are hit. EG If the batting team is on 7/90 chasing 10/91 and the batsman hits a six the score recorded shall be 7/96 defeated 10/91. The second batting team may wish to continue batting but runs scored thereafter, or wickets lost, shall not be added to the final score submitted to ACC office.
(24/11/03)
- 11.4 Should a match at Year 9, 10 or Senior level be interrupted by weather once it has commenced, the rule in place for Victorian Premier Cricket in deciding the result of a match shall be implemented. This includes the calculation of a "Deciding Score" using the following table where over reductions are in place (5/6/09):

CALCULATION OF DECIDING SCORE			
A.	Overs entitlement by first side		
B.	Overs received or to be received by second side.		
C.	Excess overs to first side (A - B)		
D.	Percent reduction to E (0.5 x C)		
E.	Runs from highest scoring overs equal to overs in B.		
F.	Runs to be deducted from E. (D x E)		
G.	Deciding Score		

INSTRUCTIONS

1	Refer to Victorian Premier Cricket Rule 18.5
2	Record of runs scored in each of the first batting side's overs must include byes, leg-byes, no balls and wides
3	An unfinished over in the first batting side's innings is counted as a full over
4	To win, the second batting side must pass the deciding score. If that score is equalled and 20 full overs or more are received it is a tie. If less than 20 full overs are received and the second batting side has not passed the deciding score, nor equalled it in a completed innings, the match is drawn.
5	Details of the first batting side's overs are to be completed at the interval and the form handed to the Umpires immediately.
6	Note: In ACC Cricket there are no penalty runs applicable and the minimum number of overs that constitutes a match is 20 at Year 9, 10 and Senior level.

11.5 A bowler shall not deliver more than 1/6 of the maximum number of overs permitted for an interrupted innings, with the exception that an over already commenced must be completed following an interruption. Where the recalculation of a bowler's limit results in a fraction, the limit shall be raised to the next higher number for as many bowlers as is necessary to absorb the balance in whole overs (5/6/09).

11.6 Modified rules for Year 7 Division 2 and Year 8 Division 2 (2/2/12)

- If the team batting first is all out before 10 overs have been bowled, their score at that point is recorded as normal (number of runs made). The batting team is then able to have their players bat again in any order, but the runs made in those subsequent overs (until 20 overs in total have been bowled) are not counted in the overall result.
- If the team batting second is all out before 10 overs have been bowled, their score at that point is recorded as normal (number of runs made) and the result of match determined. The batting team is then able to have their players bat again in any order, but the runs made in those subsequent overs (until 20 overs in total have been bowled) are not counted in the overall result.
- This will allow a full 40 over match to be played and enable all participants a better opportunity to enjoy their involvement.
- Players bat for a maximum of 4 complete overs to ensure everyone gets to bat. If the other players are all out any player who “retires” after their 4 overs is allowed to bat again. Once a team loses 10 wickets their innings is over.

- 10 players on the fielding team are to bowl a maximum 2 overs each. You can have more than 10 players bowling provided there are no more than 20 overs completed.
 - Field placements (except the wicketkeeper) should be rotated each over so that all players get to field in a variety of positions.
- 11.7. In the event of a tie in a T20 match, where possible, the result shall be determined by the use of the Super Over. The procedure for the Super Over is as follows.
- 11.7.1. It shall commence 5 minutes after the conclusion of the match. The interval between innings shall be 5 minutes.
- 11.7.2. The umpires shall stand at the same end as they stood during the match.
- 11.7.3. In both innings of the Super Over, the fielding side shall choose which end to bowl from. Once the opening batting pair enters the field of play they are not permitted to be changed. Similarly, once a determination is made by the bowling team as to which end they will bowl from and the opening batters take their respective positions at each end of the pitch, they are not permitted to change ends. For clarity, this playing condition is designed to ensure that the fielding side may determine its bowling strategies based on which batters are opening, and then the batters can choose ends based on the bowling strategies.
- 11.7.4. Only the starting 11 players for each team in the main match may participate in the Super Over. Should any player be unable to continue to participate in the Super Over due to injury, illness or other wholly acceptable reasons, the Playing Conditions of the main match shall apply.
- 11.7.5. Each team's over is played with the same fielding restrictions as apply for the last over in the match.
- 11.7.6. The team batting second in the match will bat first in the Super Over.
- 11.7.7. The same ball (or a ball of a similar age if the original ball is out of shape) as used at the end of the team's innings shall be used for the Super Over.
- 11.7.8. Each team shall bat for one over unless all out earlier.
- 11.7.9. In the event of the teams having the same score after the Super Over has been completed, the team whose batters hit the most number of boundaries combined from its two innings in both the main match and the Super Over shall be the winner.
- 11.7.10. If the number of boundaries hit by both teams is equal, the team whose batters scored more boundaries during its innings in the main match (ignoring the Super Over) shall be the winner.
- 11.7.11. If still equal, a count-back from the final ball of the Super Over shall be conducted. The team with the higher scoring delivery shall be the winner. If a team loses all wickets during its over, then any un-bowled deliveries will be counted as dot balls. Note that for this purpose, the runs scored from a delivery is defined as the total team runs scored since the completion of the previous legitimate ball, i.e. including any runs resulting from a Wide ball, a No ball or penalty runs.
- 11.7.12. In this example both teams scored an equal number of runs from the 6th and 5th ball of their innings. However, Team 1 scored two runs from its 4th ball while Team 2 scored one run, so Team 1 is the winner.

Example

<u>Runs Scored From</u>	<u>Team 1</u>	<u>Team 2</u>
<i>Ball 6</i>	<i>1</i>	<i>1</i>
<i>Ball 5</i>	<i>4</i>	<i>4</i>
<i>Ball 4</i>	<i>2</i>	<i>1</i>
<i>Ball 3</i>	<i>6</i>	<i>2</i>
<i>Ball 2</i>	<i>0</i>	<i>1</i>
<i>Ball 1</i>	<i>2</i>	<i>6</i>

12. LIMITS FOR BOWLERS / BATSMEN

- 12.1 Each bowler shall be limited to a maximum number of overs in an innings. The over limit shall be in proportion to the total overs permitted for the innings as follows:

Total Overs	Limit
35 Over Comp	6
T20 Comp	4

- 12.2 A part of an over shall count as one full over for purposes of this rule.
- 12.3 No further deliveries shall be made by a bowler who has reached or exceeded a reduced limit except to complete an interrupted over commenced by him.
- 12.4 In the event of a bowler being unable to complete an over for any reason that over shall be completed by another bowler who did not bowl in the immediately preceding over and who shall not bowl in the next following over.
- 12.5 The Umpires shall be responsible for ensuring that a bowler's over limit is not exceeded and shall consult with the scorers if in doubt. Should the limit be exceeded the number allowed by the Umpires shall stand.

12.6 Batsmen are to retire upon reaching the following run limits :

Yr 7 – 30 runs Yr 8 – 30 runs

Yr 9 – 40 runs Yr 10 – 50 runs

Any runs scored from the shot which takes his score past his compulsory retirement are to be included in his score. In the event that all other wickets fall, retired batsmen may resume their innings in order of retirement.

- 12.7 For Yr 10 and Seniors ONLY ONE fast/medium short pitched delivery above shoulder height is allowed per over and if repeated the umpire shall call no ball. To avoid any misunderstanding the umpire shall advise the bowler after each first such delivery.
- 12.8 For Yr 10 and Seniors ANY fast/medium full pitched delivery above waist height shall be called a no ball and the umpire shall caution the bowler as per the Laws of Cricket.
- 12.9 For Yr 10 and Seniors ANY SLOW full pitched delivery above shoulder height shall be called a no ball as per the Laws of Cricket but no caution will apply.
- 12.10 For Yrs 7- 9 any short pitched delivery above shoulder height shall be called a no ball.

- 12.11 For Yrs 7- 9 any full pitched delivery above waist height shall be called a no ball.
- 12.12 Schools fielding composite teams (Eg Yr 9/10) must inform students participating in games above their year level and their parents about the higher level of cricket being offered. Schools should also be satisfied that students from the lower year level have the capacity to manage these increased demands.

13. CRICKET VICTORIA CRICKET RULES FOR NO BALLS AND WIDES

13.1 NO-BALL NOT SCORED FROM

- 13.1.1 A no-ball is called, but not scored from. One run is recorded in the extras section under "no-ball", one run added to the progressive total and a dot with a circle around it is recorded in the bowler's analysis and added to his progressive analysis.

13.2 NO-BALL SCORED FROM BY THE BATSMAN

- 13.2.1 A no ball is called and the batsman hits it and 3 runs are completed. The batsman is credited with 3, the no ball (1 run penalty) is added to the extras as a no-ball. A total of four is added to the total and a 3 with a circle around it appears in the bowler's analysis. 4 runs are added to his progressive analysis. The only signal from the umpire will be the no-ball signal.
- 13.2.2 A no-ball is called and the batsman hits it for 6. The batsman is credited with 6, the no-ball (1 run penalty) is added to the extras as a no-ball. A total of 7 runs are added to the total and a 6 with a circle around it appears in the bowler's analysis with 7 runs added to his progressive analysis. The signal from the umpire will be the no-ball and the signal for a "6". The umpires should check with the scorers at the first opportunity to ensure that it has been recorded correctly (as 7 runs to the batting side).

13.3 NO-BALL PLUS ADDITIONAL RUNS SCORED

- 13.3.1 A no-ball is called, the ball comes off the batsman's person and the batsmen complete 2 runs. All 3 runs (the 2 completed runs and the 1 run penalty for the no-ball) are scored as no-balls. The umpire should signal "no-ball" followed by the "Byes" signal (to indicate that the batsman has not hit it). This does not mean that the runs are to be recorded as "byes".

13.4 FREE HIT AFTER A NO BALL (T20 MATCHES)

- 13.4.1 The delivery following any no ball shall be a free hit for which ever batter is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of no ball or wide), then the next delivery will become a free hit for which ever batter is facing. For any free hit, the striker can only be dismissed under the circumstances that apply for a no ball even if the delivery for the free hit is called a wide. Changes to fielding positions are only permitted if a different batter is on strike for the free hit delivery or the No Ball was a result of a fielding restriction breach, in which case the field may be changed only to the extent of correcting the breach. The bowler's end umpire will signal a free hit (after the normal no ball signal) by extending one arm straight upwards and moving it in a circular motion.

13.5 WIDE BALL - NO OTHER RUNS

 - 2.1 The game is to be played over 3 fixed sets.
 - 2.2 The sets shall be played to 25 rally scoring points with a minimum lead of 2 point (ie. 26/24,27/25,...).
 - 2.3 The Scoring system for ladders is as follows:

3. PLAYING NUMBERS
 - 3.1 Teams may name up to a maximum of 12 players with six field players at any one time.
 - 3.2 Whilst it is preferable for teams to field the correct number of field players which is 6, games may go ahead with five field players providing that service rotation is adhered to. If a team has four or less players that team will record a forfeit loss result.
 - 3.3 Players not entered correctly on the score sheet at the start of play may not take the court.
4. B TEAMS
 - 4.1 Colleges must make every effort to field B teams. If for any reason B teams cannot be fielded by a College, the Executive Officer and the opposing College must be notified at least 24 hours prior to the proposed fixture.
 - 4.2 In order to allow maximum participation, A teams shall play first followed by B team fixtures. Players may only play in one game per day and therefore may not play in both A and B matches.
5. ADDITIONAL RULES
 - 5.1 Any part of the body may contact the ball, including kicking the ball.
 - 5.2 In the first hit of a side's three hits, contact with the ball is given far greater latitude. Multiple contact by the first player is allowed if it was not deliberate e.g. the ball cannons off the arms and into the face.
 - 5.3 If when serving, the ball touches the net and passes to the opposite side, the let service is deemed as being in play and play may continue.

- 5.4 A player interferes with play by (amongst others)
- touching the net between the antennae or the antenna itself during his action of playing the ball,
 - using the net between the antennae as a support or stabilizing aid
 - creating an unfair advantage over the opponent by touching the net
 - making actions which hinder an opponent's legitimate attempt to play the ball,
 - catching/holding on to the net - any player close to the ball as it is played and who is himself trying to play it, is considered in the action of playing the ball, even if no contact is made with it.

However, touching the net outside the antenna is not to be considered a fault. (17/11/17)

5.5 ASSISTED HIT

Within the playing area, a player is not permitted to take support from a team-mate or any structure/object in order to hit the ball. However, a player who is about to commit a fault (touch the net or cross the centre line, etc.) may be stopped or held back by a team-mate. (17/11/17)

6 REFEREES

- 6.1 Referees for matches at all Year Levels shall be appointed by the Executive Officer in conjunction with the nominated service provider. The service provider shall appoint referees as per the ACC schedule and arrange referee payments, with the Executive Officer invoicing the competing schools to cover the relevant costs. The service provider shall ensure that the appointed referees have undergone an induction process and that they are compliant with the Victorian Government legislative requirements for Child Safety.
- 6.2 The Referee shall send off any player who displays behaviour that is deemed unsatisfactory. This includes (but is not limited to) swearing, disputing the Referee's decision, and any uncooperative or disruptive behaviour. The Referee must show a YELLOW CARD, signalling that the player is to be sent off for 15 minutes of playing time. If a player is sent off for a yellow card, an interchange player from the same team shall replace him immediately. Upon the same player being sent off with a yellow card for a second time in the same game, he shall be reported (red card) and shall remain off the court for the entire game and **MUST NOT BE REPLACED**. The Referee is responsible for estimating when the 15 minutes have elapsed. (5/6/09)
- 6.3 For reportable indiscretions (red card), the Referee shall report the offending player who is to be sent off for the remainder of the game and **MUST NOT BE REPLACED**. The Referee must show a RED CARD, signalling that the player is reported and is not to be replaced. In these instances the Referee must complete the ACC Referee Report form regarding the incident. The Referee's Report must be forwarded to the appropriate Director of Sport who shall forward details of any such report to the Principal at the school of the player concerned and to the ACC Executive Officer. (5/6/09)

7 SUBSTITUTIONS

- 7.1 In years 7 and 8 coaches may choose either orthodox or unorthodox substitution. The coach cannot use a combination of the two.

- 7.2 Orthodox Method. The substitution of players only occurs when the ball is dead. The two players involved in the substitution are then linked for the set. The substituted player is only allowed to take the court when his linked player (currently on court) goes to the bench, i.e. the original substitution is reversed. A third player can also be linked to the pair if he is on the bench waiting and has not previously been on court in another position. This would mean that if the third player takes the court position the other two linked players have to be on the bench.
- 7.3 Unorthodox method. The coach may choose to rotate players when they come to serve i.e. as the team rotates, the player who was about to serve goes to the bench and another player comes from the bench to serve.
- 7.4 For Years 9 and above the orthodox method of substitution must be used.
8. Equipment: The match ball is to be supplied by the host school. A suitable indoor court with correct markings and net should be supplied by the home team.

2. AGE LIMITS

- 2.1 Age groupings for swimming, athletics and cross country shall be taken from 1st January of the current year. eg. To be eligible for the Under 14 category a student will turn 14 years of age during the year. The age limit for Open competition shall be under 19 before 1st January of the current year.

- 3.1 In Swimming, Athletics and Cross Country, a representative must compete in his own age group or an age group above determined by his date of birth, except in an event which is not provided for in that age group, in which case he may compete in that particular event in the next higher age group, which offers it. (11/10/04)

If the protest involves schools in Division 2, then the protest committee shall comprise no less than four Directors of Sport from Division 1. The Protest committee shall seek advice from relevant officials concerning the protest but will make the final decision. The decision of this protest committee shall be final with the presiding Executive Officer having a casting vote in the case of equal voting.

5. CHANGE OF DATES.

Should an urgent situation that suggests the need to change the date of a carnival become known to a Director of Sport or Principal in the final 48 hours before its scheduled commencement, the Executive Officer shall be notified immediately; and he will notify the President, who will consult, as far as possible, with the Principal of each participating College and resolve the matter as early as possible. If the date of a Carnival has to be changed, the new date must be mutually agreed to by the Principals of all competing schools.

6. UNIFORM.

Each College shall see that its competitors are attired in the appropriate athletic uniform.

7. SPECTATOR CODE OF CONDUCT (26/11/18)

7.1. All spectators at ACC events are expected to abide by the Code of Conduct that has been approved by Principals. This policy applies to current students, former students, staff members, parents and members of each school community. It is the responsibility of each individual school to pro-actively address expectations around spectator behaviour, to closely supervise the members of their school community at each event and to address any behaviour in breach of the Code of Conduct.

7.2. Spectators at ACC sporting events must respect the rights, dignity and worth of all participants and other spectators, focusing on the enjoyment of sport and the effort of each participant.

7.3. CHAMPIONSHIP EVENTS

The traditional “cheer squads” are no longer part of the accepted spectator policy for ACC championship events. Schools are welcome to have groups of student spectators in attendance, providing the following criteria is met:

7.3.1. The ACC Sport Spectator Group application form is completed online (<https://form.jotform.co/81717521976869>) at least a week prior to the event;

- 7.3.2. Detailed information is provided in that application, including the anticipated number of students, transport arrangements, staff supervision details and contact information;
- 7.3.3. Approval is granted by the Executive Officer;
- 7.3.4. Either full school dress uniform OR full school sports uniform is worn by each student (no dress ups, costumes or old / ripped uniform items to be worn);
- 7.3.5. Spectators are not permitted to have loud hailer, whistles, drums, trumpets or any other musical instruments;
- 7.3.6. Strict silence at the start of each event is essential. Courtesy should be shown at all times during announcements, especially for the presentations of trophies;
- 7.3.7. Each school is to take responsibility for the cleanliness of their area. Students should be asked to clean up their areas prior to leaving;
- 7.3.8. Each College shall ensure student spectators and staff remain for final presentations;
- 7.3.9. After finalisation of results, no students are to enter the venue presentation area unless invited to do so for official group photographs.

7.4. SCHOOL BASED ACC EVENTS

It is suggested that the home school arranges a representative (student or staff member) to welcome visiting teams when they arrive and guide them to the relevant sporting venue. Every visitor should be made to feel welcome and should not be subject to a negative experience when visiting another school. This role could be allocated to the staff member on yard duty (provide them with prior notice), or a non-playing student that is involved with the home team.

- 7.4.1. **EXPECTATIONS AROUND ACC COMPETITION** Whilst sport is based on competition between individuals or teams, that competitive element should not be the overriding factor in the school sport environment. Conduct of the team and each person associated with the team plays a critical role in the success of ACC sport. There are strict rules about student behaviour and also rules governing the conduct of coaches and spectators. These rules can be found on the ACC website under: SPORTS & EVENTS / Codes of Conduct. It is vital that these guidelines for conduct are adhered to.
- 7.4.2. **STAFF SUPERVISION – SPECTATORS** The supervision of student spectators is an important part of making visitors feel welcome at your school. Our sporting program does not encourage a tribal mentality, and the home school students should never try to create an intimidating environment for visiting teams. Active supervision by your school's staff and student leaders will help to create an enjoyable atmosphere for all concerned. One of the great aspects of sport is the active involvement of spectators. Their support can add significantly to the sporting experience of the players, but adversely can also distract them from "focussing on the ball" and at times encourage actions that do not align with our focus on fair play and sportsmanship. The conduct of one or two individuals can reflect very poorly on your entire school community. Play your part in upholding

the reputation of your school and actively monitor the conduct of those around you. (26/11/18)

8. SEATING ALLOCATION FOR SCHOOLS.

For Swimming and Athletics, the Executive Officer will ensure that allocated seating positions for Schools are rotated at least three positions in a clockwise direction each year.

Rules of Play

1 Teams

- 1.1 Each team shall consist of a minimum of 4 players and a maximum of 8 players. (30/1/14)
- 1.2 The winner of the day will be the school that has the lowest total for their best four scores. In the event of a tie, the fifth, sixth, seventh and eighth scores will be used in order to decide the winner. If a tie still exists, there will be joint winners. (30/1/14)
- 1.3 Colleges must submit their team lists in writing a minimum of one week prior to the event. No late entries will be accepted.
- 1.4 To return a valid card, each player must play 18 holes under stroke conditions.

2 Competition

- 2.1 The competition organiser will provide all teams with individual score cards and tee-off times. Players are responsible for being ready to play at their appointed time and keeping their partner and their own scores correctly. Incorrectly signed scorecards will result in disqualification.
- 2.2 Two or more tees may be used to start the event at the discretion of the organiser.
- 2.3 In the event that the course is deemed unsuitable for play, the organiser will notify all participating schools that the event will be rescheduled to a later date.
- 2.4 If adverse weather conditions occur refer to ACC Rules for Student Safety.

3. The competition organiser will be the referee for the day and he will decide the result of any disputes.

4. ACC COMPETITION GUIDELINES: *The following guidelines are applicable for the ACC Open and Junior competitions.*

- 4.1 The ACC Golf Competition is a STROKE EVENT.
- 4.2 Each player must play in the assigned group given at the start of the day by the ACC. Failure to play in your correct group is automatic disqualification for the tournament.
- 4.3 Players are to swap cards with a fellow competitor in your group and at the tee of the next hole and mark their cards accordingly.
- 4.4 It is important that each group has no more than 4 players and that each group has a responsibility to keep up with the group in front of them.
- 4.5 In order to encourage interaction between the players in each group, caddies are not permitted to assist in any way.
- 4.6 Spectators are not allowed on course due to supervision restrictions. Any student not participating must remain with their staff member. Parents attending the event must remain in the Clubhouse and will be required to register their attendance with the ACC Event Manager.
- 4.7 Every stroke up to **10** must be counted at which time the player/student must pick up his ball and move to the next tee with his group. A score of 10 is recorded on the scorecard for that player.
- 4.8 If a ball is considered to be in danger of being LOST or Out Of Bounds (OOB) the player has 2 options.
- 4.9 He can decide to play a second ball (provisional) and if he cannot find the first ball after 3 minutes he must then proceed to play the provisional ball adding a **one shot** penalty. (playing his 4th shot)

OR

- 4.10 The player can choose **NOT** to play a provisional ball and go to where the original shot was estimated to go to and put a ball on the side of the fairway approximately where the original shot would have gone to if it stayed on the fairway adding a **two shot** penalty. (playing his 4th shot)
- 4.11 To keep the round moving, players should play their ball when ready taking into account the safety of your fellow group members. Do not play a shot if someone is in front of you and there is a chance you could hit them. If you are in a situation such as this, simply ask them to move out of the way.
- 4.12 SLOW PLAY - The course manager has the right to ask slow players to walk a hole or two if they are deemed to be holding up the field. Any player/s asked to walk a hole or two will put down a score of 10 for each hole they miss.
- 4.13 When entering a bunker find the shallow part and enter. A student can have no more than 3 shots in the bunker at which point he can pick the ball up and place at the back or side of the bunker not closer to the hole. If a greenside bunker then the ball is to be placed on the area surrounding the putting green and NOT on the putting surface.
Remember to rake the bunker. (If a player has taken 5 strokes and ended in the bunker,

then has 3 attempts he can pull ball out and is then playing his 9th shot). Players must take into account your 10 shot maximum.

- 4.14 Buggies must not be taken on to the greens at any stage and must not be taken past the blues lines surrounding the greens.
- 4.15 At the completion of the round, players must sit with their fellow competitors and check your cards that the correct scores have been placed for each hole. Once both players agree that the score is correct you must sign your own card and that of the one you are marking and then hand into your supervising staff member.

29. Badminton

The Open Badminton Championship is open to any student from Year 12 and below to represent his college. The Intermediate Badminton Championship is open to any student from Year 9 & 10 to represent his college. The Junior Badminton Championship is open to any student from Year 7 & 8 to represent his college. It is expected that all participants will compete with the spirit that is compatible with the ACC ethos “Excellence, Honour and Fairness”.

Tournament Organisation & Rules

ACC Badminton is conducted under the rules of the Badminton Victoria.

Format

Round Robin - There will be no finals matches, with the winning school determined by ladder ranking based on all rounds. A win or a bye is worth 4 points and a loss is worth 0 points. A tied result will see both teams allocated 2 points. Ladders positions are determined using match points as well as games won and points won. Following each round, all results sheets need to be submitted to the Event Manager so that the results can be updated. Progressive results can be viewed on the screen at the venue. Official results sheets will be provided for all schools at the venue.

Match Format

In all matches, 4 seeded singles games and 4 doubles games will be played (**total of 12 players**). Singles and Doubles as **one game to 21 points**. If the score becomes 20-all, the player/s that gains a two-point lead first shall win the game. If the score becomes 29-all the player/s winning the next point shall win the game.

Schools must nominate their seeding for the singles games prior to the start of the event. This order must be maintained throughout the entire event. Any pairings may be used for the doubles games.

Teams must nominate their doubles pairings before the start of play in each match. Pairings may be changed following the singles by mutual agreement of the two coaches involved.

Each match (comprising singles and doubles) is allocated a set time slot. At the end of each time slot a siren will sound and play must cease immediately. If all four singles and four doubles games are incomplete, then the results at that time are to be used as the final score. In an incomplete game, a team must be at least 2 points ahead to claim the game as a win.

The next time slot begins for the next round at the sound of the siren, so please move your players to the appropriate courts and get them started as soon as possible so that no time is wasted.

The scoring system used will be **Rally Point**, where points are scored from every serve. The nominated Home team (listed first) will elect to either serve or receive and also select the side of the court they will play on. There will be no change of ends during a game.

Match Order

Four singles matches, followed by four doubles matches.

Player Restrictions

A total of **12 players** shall be used in any given match, 4 for singles and 8 for doubles. Each team also can bring up to 2 substitute players. For the singles games, each player is to be seeded from 1 through 14, and all players must compete with the same seed ranking during the entire competition. Players can be substituted between matches, but not during the course of a match. If a player is substituted for a singles game in a given match, then the same seeding order must be maintained

using the players participating in that match. The highest ranked seed must always play in the first singles match, followed by the second highest ranked seed and so on.

Changing of seedings during competition will result in either forfeiture of the relevant games or forfeiture of the round or disqualification from the competition, at the Event Manager's discretion.

Note: players are restricted to one singles game **OR** one doubles game in each match. Players are not permitted to play singles and doubles in the same match.

Play must be continuous. An ill or injured player unable to continue will forfeit their game.

Match Winner

Matches will be decided by games won. If equal, then by points scored. If still equal, points percentage will be used. If still equal, a tied result will be declared and the match points shared equally.

Tournament Winner

The Champion team will be the team finishing in first place on the ladder. If, at the end of the round robin, two teams are equal on matches won, games won and points won, then joint champions will be declared.

Rules of Play

The rules for the tournament will be those of Badminton Victoria.

Equipment

Each school is responsible for providing their own equipment (racquets, shuttlecocks etc). The team listed first in the fixture shall supply the shuttlecocks for that particular match. Shuttlecocks for the Junior and Intermediate Tournaments can be **either plastic or feather**. Shuttlecocks for the Open Tournament shall be **feather only**. 10. SELECTION OF GUEST ARTISTS/PRESENTERS/CONDUCTORS

Rationale:

In implementing the ACC music workshop and events program, there is a need to make events both relevant, interesting and inspiring for both students and staff. As much as engaging students in musical activity, presenters should be of a calibre to offer observational PD for teachers.

The following serves as policy in the selection and/or invitation of guest artists, presenters or conductors for engagement at ACC music workshops.

Potential candidates for presenting at ACC events should be given a rating based on their experience, qualifications and expertise. Candidates will fall into either category A, B or C. A process to secure an A Rated Candidate should be priority. Contenders who may be categorised as a B or C rating could be considered respectively if finding an A Rated candidate proves difficult.

A Rating:

A candidate that could be considered in this category would be identified as one or more of the following:

- 1) A Music Educator outside the ACC who is seen as a respected expert in his/her field and demonstrates evidence of this in their teaching practice.
- 2) A Music Educator with a Masters Degree or higher and is seen as a respected expert.
- 3) A revered/famous Musician or Conductor who is seen as a respected expert in their field and has evidence of successfully engaging with school-aged children.

B Rating:

A candidate that could be considered in this category would be identified as one or more of the following:

- 1) A Music Educator within the ACC who is seen as an expert in his/her field and demonstrates evidence of this in their teaching practice.
- 2) A qualified educator with an interest in the area being presented/workshopped.
- 3) A Musician or Conductor who has evidence of successfully engaging with school-aged children.

C Rating:

A candidate that could be considered in this category would be identified as one or more of the following:

- 1) A Music Educator.
- 2) A non-qualified individual who has an interest in the area and may be perceived as being able to engage with school-aged children.
- 3) A Musician or Conductor.

Ratification:

Where possible, chosen presenters & their suitability should be discussed at meetings. As a minimum, this can be shared by email. The host school or event organiser (if not held on their campus) would be responsible of instigating this communication.

Remuneration to presenters:

Remuneration for presenters needs to reflect their experience, qualifications and expertise, and hence tie into the following:

A Rating: \$300 - \$350

B Rating: \$200 - \$275

C Rating: \$150 - \$190

It is the responsibility of the event organiser to negotiate the rate with guest presenters and have them forward an invoice to the Executive Officer of the ACC.

33. Leadership Workshop

To educate, inspire and motivate potential senior student leaders to positively influence their student peers to promote and develop ACC and school sport. The program is aimed at students involved with leadership of sporting teams.

Program Objectives:

By attending the ACC Leadership Workshop, students will be inspired and motivated to:

1. Gain an appreciation of the importance of effective sports leadership within their School and the ACC.
2. Gain an understanding of the courage required in effective sports leadership and the application of this in school and ACC sport.

Borrack, John	Visual Arts	1950	Parade
---------------	-------------	------	--------

A master colourist predominantly in watercolour and gouache, John Borrack has described his art as “a celebration of the natural world and its wonders that are all around us”. He has been described as “something of a maverick, a man who has dedicated the last 50 years of his life to the pursuit of a pure, spiritual expression”. John and his wife, Gillian, have campaigned against the Plenty Valley growth corridor. “It can be devastating to see the landscape I love disappear,” John, now in his late 70s, says of the spread of housing at Mernda, a setting that has inspired him since he first settled there as a boy and which he has painted since the mid-1950s. John has studied and painted in Australia, Europe and the United States. His major solo exhibitions have featured in most Australian galleries. He is a member of the Australian Watercolour Institute and has a Diploma Fine Arts (RMIT). His book, In Praise of Landscape: The Art of John Borrack, published by Macmillan Art Publishing, is available from November 9, 2012. Awarded the F.E. Richardson Prize for Watercolour by the Geelong Art Gallery. Awarded the Cato Prize for Watercolour (jointly with Len Annois), at the Victorian Artists’ Society Autumn Exhibition. Bradley, Desmond	Music – Instrumental Performance	1945-49	St Bernard’s
------------------	----------------------------------	---------	--------------

Desmond Bradley was considered the world's leading lead violinist for two decades. He was lead violinist for the Royal Philharmonic Orchestra under the directorship of Sir Adrian Boult. Considered a child prodigy, he went to France to study at the age of 16 in 1949. Prior to his departure, Desmond attended St Bernard's College and played for many important school functions. Desmond Bradley passed away in 1992 at the age of 58 leaving a wife and 3 sons. He was indicated into the St Bernard's College Hall Of Fame in 2009.

Caddy, John	Music	1950	Parade
-------------	-------	------	--------

Nearly 50 years of formal experience was appropriately recognised on Australia Day 2004, when 68 year-old John, the St Patrick’s Cathedral cantor, was awarded an Order of Australia Medal ‘For service to choral music, particularly liturgical music through St Patrick’s Cathedral Choir’. By the age of 20 John, a carpenter by trade, decided that he wanted to take singing more seriously. However with regular singing lessons proving too costly, he sang for a scholarship at the Melbourne University Conservatorium of Music, and was subsequently granted two years free tuition under well-known musician Henry Portnoj. Shortly after Portnoj encouraged John to join the St Patrick’s Cathedral Choir, where Conservatorium Vice-Director Dr Percy Jones was Director of Music. Since joining the Cathedral Choir in 1957, the list of achievements John has compiled has been impressive. He has sung for six of Melbourne’s eight Archbishops (from Mannix to present); in the early 1970s he joined the Tudor Choristers, with whom he sang in several solo roles, including ‘the Evangelist’ in Bach’s Christmas Oratorio. Later, he was engaged by Melbourne Choral to sing the tenor solos of Handel’s Messiah. Although hesitant to single out a favourite

performance, John recounts his role as cantor at the official mass for Pope John Paul II's visit to Melbourne in 1986, held at Flemington Racecourse, as “a great honour, and certainly the biggest occasion”.

Cocks, Michael

Music

1972 Parade

Michael Thomas (“Mick”) Cocks was an Australian musician most noted for his guitar and songwriting work with the iconic rock band Rose Tattoo. His original sound and style heavily influenced Guns N’ Roses, who recorded a cover of the band’s song “Nice Boys”. He was also a member of Heaven, The Headhunters, Illustrated Men, Doomfoxx, Pete Wells Heart Attack and the Ted Mulry Gang. Raised in Fairfield and schooled at Parade with his younger brother Shane, Mick completed his fifth form education at Bundoora in 1971. On New Year’s eve 1976, not long after Rose Tattoo was formed in Sydney, the band, whose members included Mick on rhythm guitar and “Angry” Anderson on lead vocals, played publicly for the first time at the rock club Chequers.

In 1996, Rose Tattoo was inducted into the Australian Recording Industry Association (ARIA) Hall of Fame. Tragically, liver cancer claimed Mick’s life at the age of 54 - just a few short months after his final concert appearance with Rose Tattoo at a benefit held in his honour at Sydney’s Enmore Theatre. On Mick’s passing, Anderson said of the man: “He’s one of a vanishing kind. He’ll be remembered as long as people play his songs, and he’ll be remembered for his loving nature and a genuine lust for life”.

De Backer, Walter

Music

1998 Parade

Born in Bruges, Belgium, in 1980, Wouter migrated to Australia with his family when he was two years old. They first resided in Sydney, New South Wales before settling in Montmorency, Victoria. His parents chose to use the English variation of his name, Walter, when enrolling him in school. As a youth, Walter displayed a passion for music, learning various instruments, most notably piano and drums. In his teens, De Backer formed the band Downstares with three of his College friends,

including Lucas Taranto (who still plays in his Gotye live shows). The first seeds of Gotye were planted when Walter was given a large collection of old records. An elderly neighbour, having heard Downstares rehearsing over the years, gave his then- recently deceased wife's LP record collection to De Backer. He's the ARIA award winner, whose megahit "Somebody I used to Know" and spectacularly- successful Making Mirrors album has afforded him citizen-of-the-world status. In July 2011, Walter released a film clip for the song "Somebody That I Used to Know" on YouTube and Vimeo. Directed by Natasha Pincus, the video has now been viewed over 301 million times (as of August 2012). The video is the Number 17 most viewed video of all-time on YouTube and the Number 4 most liked video of all-time. In October that year, it was announced that Walter had been nominated for seven ARIA Awards. Due to the release date restrictions of the eligibility period, Making Mirrors could not be nominated, and the seven nominations all related to "Somebody That I Used to Know". Walter was nominated for Highest Selling Single, Single of the Year, Best Pop Release, Best Male Artist and three awards in the ARIA Artisan category: Best Video (Natasha Pincus), Engineer of the Year (Francois Tetaz) and Producer of the Year (Walter De Backer). On the same day the nominations were revealed, the winners of the Artisan categories were announced, with Walter and the album personnel winning all three. In November 2011, Walter won three ARIA Awards - Best Male Artist, Best Pop Release and Single of the Year for "Somebody That I Used to Know". Kimbra, who collaborated with Gotye on the song, also won the ARIA award for Best Female Artist. Walter performed the song on Saturday Night Live in April 2012 along with "Eyes Wide Open". These collective performances helped the single to reach Number 1 on the Billboard Hot 100 for the week ending April 28, giving Walter his first US Number 1 single; the first Australian artist to reach Number 1 in the US since Savage Garden in 2000. In April 2012, "Somebody That I Used to Know" broke a 47-year-old record in the Netherlands by becoming the most successful song in the history of the Dutch charts.

Hutchinson, Ivan

Film, Music 1944 Parade

Ivan Joseph Hutchinson, the renowned music arranger/pianist and television critic whose career spanned four decades, once described himself as the "definitive reluctant TV star". Born in Melbourne, Ivan's father was an Anzac who had been wounded in World War I and continued in the Army until his retirement in the late 1950s. Ivan grew up in Fitzroy where he attended the local St. Bridget's Primary, St. Thomas' Clifton Hill and, in his final year (1944), Parade College East Melbourne. An accomplished pianist from his childhood days, Ivan joined HSV Channel 7 in 1960, in the pioneering days of Australian television. He plied his craft as a piano player with the station's orchestra in variety shows including "Sunnyside Up", children's programs such as "The Happy Show" with Happy Hammond, and "Time For Terry". Aside from music, Ivan's other passion was movies, with much of his spare time spent at cinemas and penning his own reviews. 1971 found him approaching Seven management with his own proposition, along with fellow Melbourne film critic Jim Murphy, to host what would become Australia's first movie review program "Two On The Aisle". The loyal following this program generated made Ivan increasingly well known as an on-air movie critic, and when the show ended in late 1974, Seven executives suggested he become a movie presenter and host the midday movies. Ivan continued working until sudden and untimely illness forced him to retire in December 1994. When he died, tributes that followed best reflected the depth and breadth of his influence, the affection he evoked and the high esteem in which he was held.

His film credits include *Light Years*, *Parklands*, *Renzo Piano: piece by piece* (for which he won the 1999 Australian Screen Composer's Award for best music for a documentary) and *Mr. Strehlow's Films*. His most recent feature film music score is *Travelling Light* (2003) for which he received the nomination 'Best Music for a Feature Film' by the Australian Film Institute. Recent works have been *The A to Z of Spiritual Music: a user's guide*, commissioned by The Seymour Group (2006); his co-production of the Warners international release of the Ten Tenor's album *Larger than Life* (2003) and a revised version of his music theatre work *Tales of Love* (2002).

The SSAV incorporates all of the school sport associations from around Victoria - of which the ACC is an integral part. One of the unifying aspects consistent amongst all of these associations is the importance of developing a sense of sportsmanship and fair play in our students. In order to assist in this pursuit, a special award has been developed and is available for schools to present to deserving recipients.

- The SSAV Sportsmanship Award recognises individual acts of sportsmanship and/or fair play by participants (students and/or staff) at School Sport events.
- Recipients of the award can be identified by the School's Director of Sport / Sport Coordinator / Staff and/or the Event Convener.
- The criteria for the award are:
 - Demonstrated an exceptional/outstanding act of sportsmanship during or out of competition.
 - Demonstrated an exceptional/outstanding act of fair play during competition.
 - Demonstrated an exceptional/outstanding act of co-operation, courtesy and respect to officials and opposing players.
- The award Badges are available through the ACC Office.
- The name of the recipient, along with details of the reasons why he received the award, should be forwarded to the ACC Office so that his achievement can be recognised on the ACC website.

The design of the badge is based on a famous act of sportsmanship – a sporting gesture by John Landy, which is considered to one of the greatest acts of sportsmanship in Australian Athletics.

The incident took place on Saturday, March 11, 1956 in the final of the Australian mile title at Olympic Park, Melbourne. This was the selection trial for the Melbourne Olympic Games to be held in November that year and a top-class field was entered including the world-record holder John Landy, his heir-apparent Merv Lincoln and the world junior record holder Ron Clarke. The first two laps passed without incident with the crowd cheering in anticipation of a new world record. Then it happened! Ron Clarke clipped the heels of another runner and fell. As Clarke crashed down, John Landy, who was very close behind, leaped desperately to clear his body and as he did so his running spikes pierced Clarke's shoulder. Landy pulled up immediately, and with other runners streaming past him, he trotted back to Clarke who was still on the ground, to check how badly hurt he was. He apologised to Clarke and was assured that the injury wasn't too serious. John Landy looked up, and to everyone's astonishment, he gave chase to the field of runners, who by then were well past him with about a lap and a half to go. At the bell he was fairly hurtling. Amazingly, he won the race by passing runner after runner and taking the lead in the home straight. His time was 4min.4.2sec.

John Landy's act of chivalry had cost him perhaps up to seven seconds. He was the world record holder at the time with 3.58.0 and there is no doubt that, by his actions he sacrificed the chance of setting another world mark. All present stood and cheered the remarkable achievement and the act of Sportsmanship displayed by this man. Those who know John Landy were less surprised and John is always very modest about the incident.

An example of sportsmanship such as this is a fine example for the young men involved in ACC competition.

Memorandum of Understanding

between

AFL

AND

**Associated
Catholic
Colleges**

**Associated
Catholic Colleges
(ACC)**

Dated: 2/12/19

a) INTRODUCTION

AFL Victoria is the governing body for football within Victoria. It is responsible for the effective management and development of the game. AFL Victoria manages and conducts the talented player pathway including the NAB League competition to develop talented players. In addition AFL Victoria conducts participation programs such as Auskick, Coach Education, AFL9's, school programs and AFL player clinics to develop the game.

The Associated Catholic Colleges (ACC) conduct a range of sporting programs, including football, to assist the total development of students attending member schools.

This Memorandum of Understanding (MoU) between the AFL and the ACC is to assist in the management of players playing in both the NAB League and their school competition and the development of football in the Independent School system.

There is strong evidence that many boys are playing (and training) too much football, which can lead to them suffering 'burn out' or sustaining long term injuries. While ACC schools and AFL Victoria wish to encourage young men to pursue AFL football to the highest levels, this Memorandum of Understanding has been created so all involved are mindful of the overall development and welfare of boys who aspire to play football at this level.

b) TO ACHIEVE THIS, THE AFL AGREES:

1. To recognise that the primary concern of each ACC school is the well-being and education of each of its students, and will always act in what it believes is the best interests of the students in its care.
2. To recognise and honour the wish of the Principals of ACC schools to have students attend to their school commitments and to participate in all ACC football matches as required by the school, understanding the overarching duty of care of the individual players.
3. The ACC Principals and the AFL agree that in the best interests of student safety and well-being, the training load of players is reduced at their club during the eight-week season of ACC competition. During this time, players will make themselves available to participate in school matches, with participation in NAB League matches dependent upon player welfare considerations.
4. That in weeks where the players participate in ACC matches, such players attend a minimum of one NAB League club session for medical screening or light recovery.
5. Through consultation between the school and the NAB League club, support players during Term 1 and Term 4 being able to combine both NAB League trials and sessions and school summer sport activities.
6. To support the injury diagnosis and treatment of NAB League registered players advised to the NAB League clubs that have been injured during an ACC match. Refer to appendices 3 & 4 for the transfer of information regarding player injuries.

7. Support ACC schools with development programs aimed at maximising participation and enhancing the environment of school football for the benefit of all players, coaches and umpires and the game in general.
8. Where possible, to make available coaching staff and facilities to assist with the training of ACC teams.
9. To forward the NAB League fixture and representative team preparation programs, when available, to ACC schools and to consult with the ACC Executive Officer regarding the NAB League fixture.
10. To have the relevant NAB League coach and ACC coach meet prior to start of the season to discuss individual player's development and to ensure the best interests of the player remains the focus - particularly from a well-being and football development perspective.

c) TO ACHIEVE THIS, THE ACC SCHOOLS AGREE:

1. To recognise that the NAB League is a football educational program where the emphasis is not on winning games of football but on focussing on individual player development. To recognise and honour the wish of the AFL to have players available for all NAB League matches as required by the Club, with consideration given to player welfare and workload.
2. To grant exemptions for their students from ACC fixtured matches to enable the students to take part in the NAB AFL U16 & U18 Championships which are part of the AFL Academy Program. Such players will also be available to play in trial matches under the following conditions for such teams,
 - (i) Players in the AFL Victoria U18 Academy program for both Vic Metro and Vic Country are required to make themselves available to play scheduled trial matches.
 - (ii) Players selected in the AFL Victoria U16 Academy programs (both country & metropolitan) will be required to play a **maximum of three** trial games. In other words, they will have the option of playing in **one (1) of the two trials** scheduled early in the program and then, if they are selected in subsequent squads, **they will be required to play in the trial/s scheduled**. Players will also be made available to attend the final NAB AFL U16 & U18 Championships team training camp, following the completion of all ACC schools sporting commitments. (It is strongly recommended that all NAB AFL U16 and most U18 Championship matches be conducted during the school holiday period so that there is limited disruption to the student's academic studies). **Players who do not make themselves available for selection under the conditions outlined will not be considered for selection for the NAB AFL Championships program.**
3. To allow NAB League players to return to their NAB League club for medical assessment or light training session earlier in the week, when the player is not playing in the following week's NAB League Match. In the weeks where there are no ACC matches the players are available to play with their NAB League club, such players

will not be required to train with their school. Parents and, if required, the family GP should also be considered in the consultation process. If a school has a fixture by the players are to be made available for NAB League selection.

4. To provide information to NAB League clubs via the appropriate form (appendix 2) regarding injuries sustained by NAB League registered players playing in ACC school matches and encourage such players to attend their NAB League club for further diagnosis and treatment.
5. Where possible, to make available facilities to assist with the training of NAB League clubs particularly pre-season.
6. To provide ACC football fixtures to the AFL, and consult with the AFL regarding the ACC football season.
7. ACC will promote the National Championship games.
8. To make recommendations, regarding talented players playing in junior school teams who may not have been identified by the NAB League clubs.
9. To have the relevant ACC coach and NAB League coach meet prior to start of the season to discuss individual player's development and to ensure the best interests of the player remains the focus - particularly from a well-being and football development perspective.

d) IMPLEMENTATION OF THE AGREEMENT

1. Where disagreements arise in the interpretation or application of this MoU between a NAB League club and an ACC school, it is agreed that the AFL State Talent Manager Victoria and the ACC Executive Officer (following consultation with the player's parents and school) will endeavour to resolve the dispute. In the event that these parties cannot resolve the dispute it would be the State Talent Manager Victoria and the school's Principal or the school's nominated representative.
2. A joint meeting will be held in March each year, with the respective NAB League coach and / or Talent Manager, and their school's Director of Sport and / or 1st XVIII coach to meet and plan the year ahead.
3. The ACC Principals and the AFL recognise the need to work together to educate students and families of students as to the understandings that exist between the ACC Principals and the AFL.

The AFL and ACC Principals agree to establish an annual review to monitor both the implementation of this Memorandum of Understanding and the general development of football in ACC schools. This review will involve the AFL State Talent Manager Victoria and the ACC Executive Officer.

EXECUTED AS AN AGREEMENT.
