ACC ATHLETICS CHAMPIONSHIP – MEET MOBILE APP

The ACC has utilised Meet Mobile App over recent Championships, with the meet results and scores to be made available once again for this year's meet.

All Meet information will be available prior to and during the event via the "Meet Mobile app" from Active Network. Once the team entries have been received by the ACC, all details will be published to the app for competitors, staff members, parents and coaches to access. The app can be downloaded from the iTunes store for iPad and iPhone, as well as Google Play for all Android devices. Once the app is downloaded on your device, all you need is an internet connection and all of the data is available at your fingertips:

- Event start time
- Current records
- Competitor name, school and lane allocations
- Live results and times (payment required via the iTunes App Store or Google Play)
- Individual and team points

For further details about the app, visit the Active Network website:

<http://www.activenetwork.com/mobile-apps/track-meet-mobile-app>

A quick guide on how to find the ACC Swimming Championship on Meet Mobile is included on the following page.

HOW TO ACCESS THE ACC ATHS MEET

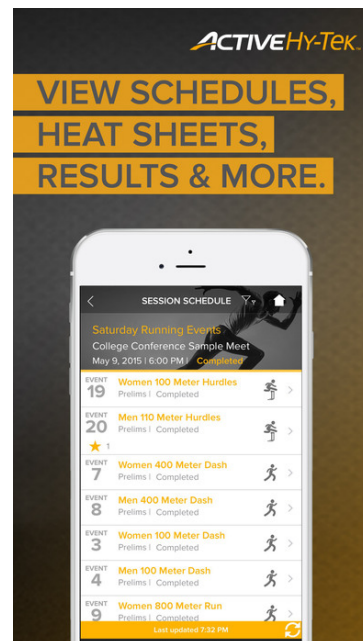

1.

Download the app to your mobile device and make sure that you are connected to the internet via Wi-Fi or 4G. Open Meet Mobile and in the search box, enter "ACC Aths Meet 2020". Internet access is required for live results and scores.

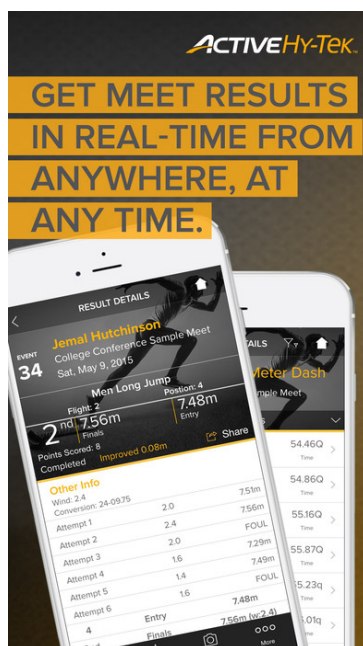

2.

On the home screen for our meet, you can view the events to look at start lists, with results and times available directly after each event. Team info is also available, as well as team results and places.

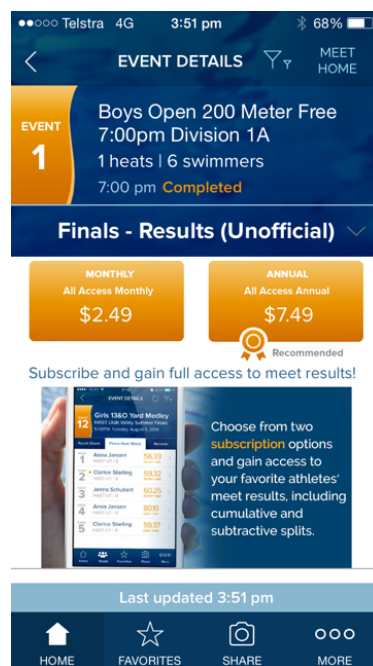

3.

Each event is available to view separately. The event numbers are listed for each event, along with the event type and division. You can access details on individual competitors and save people you know as your favourites for quick viewing.

4.

"Active" have upgraded their app so that payment is required to access results and scores. You will be prompted for payment if you click on the results section. Monthly access is \$2.99 and annual access is \$9.99 (example from swimming) shown

- **Please note that you will only be able to access updates on the app during the event if you are connected to the internet via Wi-Fi or 4G.**
- **Team entries will be made public 24 hours prior to the event start time.**
